The term ephemeral is faithfully illustrative of our times. However, constructions with a limited lifespan have been a constant in the history of architecture. Research of materials and, above all, the evolution of design, have made this discipline an essential area of study for scholars and authorities alike. "Ephemeral Architecture" offers a wide and also rigorous selection of the best ...

Ephemeral Architecture: 1000 Tips By 100 Architects book ...

The houses architects design for themselves The greatest challenge in designing homes is negotiating the delicate balance between aesthetics and the personal desires of the occupants. While it's important for the structure to reflect the vision and style of the architect, the client must ultimately feel at home beneath the roof.
