A History of God By Karen Armstrong - MetaphysicSpirit.com

The most important part of this linear-progressive view of history is that, as the Bible says, the world had a beginning, and that at the beginning an action began, a movement guided by divine providence to an ultimate telos—a culmination of purpose, aim, or goal. This purpose or telos of history is both personal and cosmic. Every individual moves from birth to death, from a beginning to an end that continues beyond the grave into the ages.

Superb kaleidoscopic history of religion, from an English nun- turned-scholar. Armstrong (Holy War, 1991, etc.) was a nun in the early 1960's but left her convent in 1969 as part of the great wave that defected from religious life at that time. Although her faith grew progressively weaker, her fascination with religion didn't abate, and, even as a nonbeliever, she continues to pursue ...
