We meet the doctors. Rana Awdish spends hours of each day walking the floors of the ICU checking in on her co-workers, which means that maybe more than any single person in the hospital she knows best what the staff has been going through at each stage of this pandemic. One doctor that has deep ties to Detroit is Geneva Tatem. She's one of the few Black doctors in the ICU and has a deep ...

The Reprieve - This American Life

The American colonies were the British colonies that were established during the 17th and early 18th centuries in what is now a part of the eastern United States. The colonies grew both geographically along the Atlantic coast and westward and numerically to 13 from the time of their founding to the American Revolution.

American colonies | Facts, History, and Definition ...

Like other national literatures, American literature was shaped by the history of the country that produced it. For almost a century and a half, America was merely a group of colonies scattered along the eastern seaboard of the North American continent—colonies from which a few hardy souls tentatively ventured westward.
