AS/NZS 4801:2001 Occupational Health and Safety Management Systems - Specification with guidance for use; AS/NZS 3760:2010 In-service safety inspection and testing of electrical equipment; AS/NZS 1677.1:1998 Refrigerating systems - Refrigerant classification; AS/NZS 3000:2007 Electrical installations (known as the Australian/New Zealand Wiring Rules)

AS/NZS 1677.2:1998 - Standards New Zealand

these are addressed or listed in the refrigerant classification standard AS/NZS 1677.1-1998. There have been new synthetic refrigerants and blends developed since 1998 and these should be considered for inclusion in the classification standard so that an official assessment of their environmental performance is available to Australian users.
