As the crow flies - Idioms by The Free Dictionary

As the crow flies, similar to in a beeline, is an idiom for the most direct path between two points. This meaning is attested from the early 19th century, and appeared in Charles Dickens 's novel Oliver Twist : We cut over the fields at the back with him between us – straight as the crow flies – through hedge and ditch.

As the crow flies - Wikipedia

As The Crow Flies certainly isn't the only comic about summer camp, but it is one of the only ones that's honest about how much summer camp can suck, how much being a teenager usually sucks, and how much being from a group that's marginalized and forgotten only makes the teenager part suck more. It's a story that embraces the truth of how bad things can be without abandoning kindness, and that's something comics could use a lot more of.

The Spaniaad [sic], if on foot, always travels as the crow flies, which the openness and dryness of the country permits; neither rivers nor the steepest mountains stop his course, he swims over the one and scales the other. The term 'the crow road' has long been used in Scotland to denote the most direct route.
