The Audi TT is a 2-door production sports car made by Audi since 1998, and currently in its fourth generation. The first two generations were assembled by the Audi subsidiary Audi Hungaria Motor Kft. in Győr, Hungary, using bodyshells manufactured and painted at Audi's Ingolstadt plant and parts made entirely by the Hungarian factory for the third generation.

Audi TT - Wikipedia

Torque converter issues are rare on these transmissions. Transmission control module problems, however, are more common. Before replacing the module there are two other possibilities that need to be ruled out. Check the level and condition of the transmission fluid. If low top it up and if broken down, replace it.
