Nursing Documentation Handbook: 9780323010979: Medicine ...

Best book I could have purchased! Nursing school does not teach you how to document. When you get on the floor you pretty much are at the mercy of preceptors who explain it once and think you have everything down pack. This book saves me daily and I'm two years in. I even teach my new nurses from this book.

Mosby's Surefire Documentation: How, What, and When Nurses ...

Can someone please tell me what is the best comprehensive book on documentation. Our nursing program has offered no formal training in documentation (!) so i am looking on a charting book with info on all the different charting formats (i.e problem based charting, charting by exception) as well as how to write admission/discharge notes in different clinical settings (i.e med/surg, obs, emerg ...
