### Amazon.com: Customer reviews: Bigfoot: The Definitive Guide

Bigfoot: The Definitive Guidewill not go down in the annals of television as one of the best bigfoot-related documentaries, much less as having established anything definitively. However, I do hope that the scientists involved, upon reflecting on the experience, develop an increasing level of openness to that which goes against convention.

### Bigfoot: The Definitive Guide, A Second Point of View

On Tuesday, the History Channel aired "Bigfoot: The Definitive Guide," a documentary that promised to hold Bigfoot up to the standards of modern science. This is not the first time science has...

### **TV Skeptic: 'Bigfoot: The Definitive Guide'**

All in all, "Bigfoot: The Definitive Guide" was a disappointment. It was good to see that the program promoted the idea that there is a biological basis behind the sasquatch enigma. Very little new ground was covered, however, and the program blundered into the realm of the ridiculous with the shaman theory.
