Centaur is a book haunted by ghosts: lost careers, lost memories, lost friendships and, most devastatingly of all, lost love... Not only a certain candidate for the William Hill sports book of the year but also sure to be on many non-sports fans' end-of-year lists."

I finished reading Centaur a couple of days ago, and was so affected by it, I felt compelled to add my comments, and deepest admiration. It is brilliantly written, with a pace and a rhythm that enthralls and captivates the senses. It is one of the best examples of modern writing I've experienced yet!
