Devolution And The Future

This book offers a rigorous critique of that centralisation and an alternative localist vision for the future governance of the UK. It is an essential read for anyone interested in giving communities new opportunities to shape their futures.'

Parliament The next parliament will find itself once again dominated by Brexit - whatever the result of the General Election. The main risk is that, in doing so, Westminster will yet again be incapable of addressing the over-centralisation and regional inequalities that have created such a divided country.
