With the help of the Clymer Yamaha YZ125-250; WR250Z, 1988-1993 Repair Manual in your toolbox, you will be able to maintain, service and repair your Yamaha YZ125-250 motorcycle built between 1988 and 1993, or your Yamaha WR250Z motorcycle built between 1991 and 1993 to extend its life for years to come. Clymer manuals are very well known for their thorough and comprehensive nature. This manual is loaded with step-by-step procedures along with detailed photography, exploded views, charts and diagrams to enhance the steps associated with a service or repair task. This Clymer manual is organized by subsystem, with procedures grouped together for specific topics, such as front suspension, brake system, engine and transmission It includes color wiring diagrams. The language used in this Clymer repair manual is targeted toward the novice mechanic, but is also very valuable for the experienced mechanic. The service manual by Clymer is an authoritative piece of DIY literature and should provide you the confidence you need to get the job done and save money too.

This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

"Centering on El Salvador's political landscape, this biography details the life of one of the nation's little known revolutionaries. Examined here are the motivations behind C\u00e1rdova's choice to become a traitor to his class, El Salvador's political evolution, and the government-condoned assassination of C\u00e1rdova"--Provided by publisher.
