His way with words has served Adam Copeland well. It was his writing that opened the doors to his future career as a WWE Superstar, when he won a newspaper essay competition for which his prize included free wrestling training. In 2002, while sidelined with a serious neck injury, he began to write a weekly column for wwe.com, giving fans an insight into the life of one of their favourite performers. It was the fan response to this column that led WWE Books to ask him to write his autobiography. ADAM COPELAND ON EDGE takes the reader inside the world of professional wrestling, a world you can only truly know â€" and write about â€" if you have experienced it in the ring. But more than that, this book also takes you inside the mind of one of wrestling's brightest stars, as with disarming candour he shares his feelings and his reflections, his inspirations, his highs and lows, his goals and ambitions, in thoughtful, articulate detail. You know EDGE? Read on and find out...

Adam Copeland on Edge is more than an autobiography. It's what the author himself describes as "a mental picture" that he has long wanted to paint for the reader. It's also a dream—"one of many"—that he decided to realize while at home convalescing from potential career-ending neck surgery. And it's a journey that explores not only his life but also his innermost thoughts. Despite growing up with "a lot less materially than other people" in the small town of Orangeville, Ontario, Copeland recalls his formative years fondly. He remembers a loving mother who, while working multiple jobs just to pay the rent, nurtured her son's passion for Spider-Man comics and KISS albums. He also recalls the family tragedy that created a void in his life at nine years of age, and how that void was soon filled by the yellow-and-red-clad form of wrestling legend Hulk Hogan, whose intensity and personality "made me feel like I could accomplish anything." With vivid detail and sincerity, Copeland offers his thoughts about not only fulfilling his goals but also building upon them. While revisiting his greatest matches, he shares his actual surprise over winning the Intercontinental title for the first time; the anxiety he felt while splitting up with Christian and establishing a solo career; his eventual determination "to grab the damn ball out of someone's hands and take off" on SmackDown!; the distress of almost losing his long blond hair to Kurt Angle; his wonder over enjoying a brief Tag Team title reign with the icon who first inspired him; the simultaneous pain of a broken marriage and two ruptured discs in his neck; and the nervous energy of returning to Raw in March 2004 and setting his sights on the WWE World Heavyweight Championship.

Highlights the triumphs and tragedies Jimmy Korderas experienced over his career as a WWE referee, sharing the experiences of being in the ring during Owen Hart's accident and about the effects of the Chris Benoit tragedy.

In Foley Is Good, Mick Foley -- former Commissioner of the World Wrestling Federation, aka Cactus Jack, Dude Love, and Mankind -- picks up right where his smash #1 New York Times bestseller Have a Nice Day! left off, giving readers an inside look at the behind-the-scenes action in the Federation. With total honesty and riotous humor, Mick Foley shines a spotlight into some of the hidden corners of the World Wrestling Federation. From the ongoing controversy surrounding "backyard wrestling" to the real story behind his now-infamous "I Quit" match with The Rock, Foley covers all the bases in this hysterically funny roller-coaster ride of a memoir.

How did an untrained former college football player end up in the middle of a ring, wrestling during the highest-rated segment during the highest-rated segment during the blossomed into becoming a full-fledge wrestler and leading the Mean Street Posse to WrestleMania, becoming one of the most fascinating success stories of the era. From his humble upbringing and friendship with Shane (and the McMahon family as a whole), Gas shares how a 9-to-5 average Joe got the chance of a lifetime and made the most out of it. But getting your foot in the door is one thing; staying is a completely different animal. With all eyes on him, knowing his lack of training and meal ticket being the boss's son, Gas knew he had to prove himself, Gas took beatings, chair shots, and additional training to not only show that he could wrestle, but that he belonged with such superstars as The Rock, "Stone Cold" Steve Austin, and The Undertaker. Featuring forewords by Edge and JBL, who famously nailed Gas in the behind-the-scenes workings of a day in the WWE.

Lita --- see her just once in the ring and you can never forget it. The breathtaking off-the-top-rope fearlessness that she shows keeps you on the edge of your seat. You simply can't believe she's going to be able to pull off the move, and then Lita takes it to the next level. That's her reality, that's why she is a WWETM Superstar. Taking unexpected risks, daring to do what no one has done before, that's the reality of Amy Dumas, the remarkable woman behind Lita. Even as a young girl, Amy was determined to challenge herself and the world around her. She found personal freedom in the hardcore punk rock scene of the nineties. The positive force of the music and culture helped define the reality of Amy Dumas. Her willingness to try anything once set her on the path to World Wrestling Entertainment. Captivated by the high-flying style of the luchadors she saw on television, Amy was hungry to discover more about them. She just had to learn how they did those amazing moves. With only a guidebook for a companion, Amy set out for Mexico City where she was quickly invited into the secret world of lucha libre, Mexico's unique brand of professional wrestlings. She returned to the States, resolute in her goal to make it as a professional wrestling. She returned to the States, resolute in her goal to train her heart, and greed to train her heart, and perfect the music and perfect where she was quickly invited into the secret world of lucha libre, Mexico's unique brand of professional wrestlings. She returned to the states where she was quickly invited into the secret world of lucha libre, Mexico's unique brand of professional wrestlings. She returned to the secret world of lucha libre, Mexico's unique brand of professional wrestlings. She returned to the secret world of lucha libre, Mexico's unique brand of professional wrestlings. She returned to the secret world of lucha libre, Mexico's unique brand of professional wrestlings. She returned to the secret world of lucha libre, Mexico's unique brand to the secret world of

Henry Hayward has been living life the way he's wanted—working hard, playing hard—but when his girlfriend tells him she's leaving, it destroys him. In a quest to recover, he joins an army-affiliated contracting crew that takes him overseas to a Canadian base in Afghanistan. In the company of friends, he begins to mend: having laughs and being rebellious, blithely unaware of all he's left behind. But everything changes during a roadside incursion when a routine patrol turns fatal. And Henry, who survives, knows in his heart that he is responsible. Upon returning home, tormented by guilt, he resolves to take care of the people and places around him: Martha Groves, whose boyfriend was killed in Afghanistan; his friends and neighbours; and a summer home that needs revitalizing. Henry tries his best to seek roots after a rootless life, collecting around himself a "community of a hundred people" for whom he cares deeply and is responsible. But he hasn't factored in family history and social infidelity—and Martha has a revelation of her own that may change everything. Minister Without Portfolio illuminates the power and violence of self-creation. It asks: To whom are we beholden? Who do we adopt—and who couldn't we live without? It is an emotionally affecting work, filled with truths about the frailties and miracles of human nature, by a writer of exceptional talent.

One of the most inspiring stories in wrestling history, Cheating Death, Stealing Life sees Eddie Guerrero recount his saga in remarkably candid fashion, chronicling a life of heartbreaks and painful personal struggles in frank, graphic detail. Guerrero was born into Mexico's first family of sports entertainment, and his life story spans three generations of the wrestling business. His father, Gory Guerrero, was among the greatest legends of lucha libre—Mexican wrestling. Before Eddie was twenty, he was competing in the border town of Juarez, going on to work throughout Mexico. The family name made him an instant sensation but also cast a large shadow from which he would spend years trying to emerge. Paired with the late Art Barr, Guerrero cofounded what became the most hated—and popular—tag team in lucha libre, the infamous Los Gringos Locos. Cheating Death, Stealing Life offers a no-holds-barred glimpse behind the curtain into the secret world of wrestling, from the harsh realities of a lifetime spent in hotels and rental cars, to the politics that permeate the dressing room. Of course, tight-knit friendships are also forged. Guerrero tells of his personal bonds with such Superstars as Chris Benoit and Dean Malenko. It's also the story of Guerrero's private struggle, of a son caught in the shadow of a larger-than-life father and three older brothers, of a marriage that reached the brink of disintegration before being reborn as a more powerful and fulfilling relationship. Throughout, Eddie Guerrero pulls no punches describing his battles with self-doubt and inner darkness. In the end, Cheating Death, Stealing Life is a story of great courage and personal redemption, of Guerrero's bravery in facing his disease and fighting to become a better man in every light.

He first burst onto the scene in the nineties, covered in gold face paint and exhibiting a one-of-a- kind flamboyant style that bewildered his foes and thrilled his fans. Inside the ring, Goldust is as tough as they come, known for using outrageous mind games and taking down his opponents with unparalleled ruthlessness. It's no surprise, then, that wrestling is in his blood; Goldust is the son of Dusty Rhodes, "The American Dream." What is it like to be the son of a wrestling icon and follow him into the same profession? In this no-holds-barred account, Dustin Rhodes speaks frankly and openly about his journey. He talks about being a young boy who desperately missed his dad. A young man who only wanted to follow in his father's footsteps and threw aside a football scholarship to eke out a meager existence in regional wrestling. A green wrestler struggling to prove to his peers that his work, not his name, had gotten him to where he was. Rhodes describes how, in the midst of a painful five-year estrangement with his father, he finally made a name for himself as Goldust and then let it all go, tumbling into a descent of self-medication that led him away from a red-hot career as a WWE Superstar and nearly cost him his life. When he finally hit bottom, Rhodes knew where to look for help from the family he always had: his father and World Wrestling Entertainment. When he got clean and sober and was offered the chance to wrestle for WWE, he snapped up the offer. The everyday existence of life on the road, working with and watching the new Superstars—like his brother Cody Rhodes—has reminded Rhodes of why he loves being a wrestler. Cross Rhodes is an intimate portrait of one man's road to redemption and a unique glimpse into one of the most famous families in WWE.

Go on the road with your favorite WWE Superstars! Your favorite WWE Superstars! Your favorite WWE Superstars have more road trip stories to tell than they have frequent flier miles. Travel more than a million miles with The Big Show, Triple H, Lita, Stone Cold, and the rest of the WWE roster.
