Marceline is very vulnerable to sunlight, as is common in vampire lore, but she does not dissolve right away however. The nuance to this in the Adventure Time world is that vampires are specifically vulnerable to direct sunlight. Marceline is capable of unrestricted movement on a bright sunny day provided that she shields herself, which she usually accomplishes with a combination of a parasol and a large sunhat, sometimes with the addition of full-length gloves to cover her arms.

An Adventure Time binge guide for Marceline the Vampire Queen

Marceline the Vampire Queen is a fictional character in the American animated Cartoon Network television series Adventure Time, created by Pendleton Ward. She is voiced by Olivia Olson in most appearances, by Ava Acres as a child and by Cloris Leachman as an old woman. Marceline is a fun-loving 1,000-year-old vampire queen, as well as a musician who plays an electric bass that she made from her family's heirloom battle-axe. The artistic design for Marceline was

Marceline the Vampire Queen - Wikipedia

On August 7th, 2014, at a Barnes & Noble book signing for Martin Olson's book, *The Adventure Time Encyclopædia*, Olivia Olson confirmed that Marceline and Princess Bubblegum had dated; which can explain their rivalry and why they had trouble getting along with the other in the past. Since the show airs in some countries where same-sex relationships are illegal, Marceline and Princess Bubblegum's relationship cannot be depicted on the TV series.

Hambo was Marceline's beloved stuffed toy as seen in "Memory of a Memory." She originally was given this toy by Simon Petrikov, who found it in a derelict toy shop following the Mushroom War. She loved it ever since she was a child, when she replaced its left eye with a button from her jumper and her last piece of thread.
