¡Anda! Curso intermedio 1/e is the first Intermediate Spanish book conceptualized from the outset to meet the needs of today's language teachers and learners. It covers the last 2 semesters in the 4-semester ¡Anda! program. In the last few years, classroom contact hours have been reduced drastically, class sizes have increased and students' lives have become busier than ever. Instructors don't have time to cover everything that they feel is needed and more is being asked of them with fewer resources. At the same time, language teachers want to spend as much time exposing students to Hispanic culture and practicing communication as they do with grammar. But, there simply isn't enough time or resources. The result: Many instructors end up galloping through their elementary Spanish text at the expense of their Intermediate course to try to give students the broadest grammatical exposure possible. Now they have a new option: ¡Anda! This Books á la Carte Edition is an unbound, three-hole punched version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class — all at an affordable price.

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Designed with You in Mind The ¡Anda! program provides practical responses to the challenges today's Spanish instructors and students encounter. Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The ¡Anda! program offers a true solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience Realistic and Balanced Approach – Instructors and students don't have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course. Explore Grammar – Grammar is chunked to allow students to assimilate and practice without feeling overwhelmed. Explanations are clear and concise and include many supporting examples followed by practice activities. Build Vocabulary – Each chapter contains a realistic number of new vocabulary words and like grammar, is presented in chunks at the point of need. Develop Skills – Unique reading and video storyline mystery motivates students to read. Dedicated speaking, listening and writing sections provide strategies and the process necessary to effectively develop skills in the target language. Connect with Culture - Both “high” and “popular” culture are woven throughout the chapters to enable students to learn to recognize and appreciate cultural diversity as they explore behaviors and values of the Spanish-speaking world. They are encouraged to think critically about these cultural practices and gifts to society. Personalize Learning – MySpanishLab's proven results will be available for fall 2012 courses. Note: MyLanguageLabs does not come automatically packaged with this text. To purchase MyLanguageLabs access, please visit: [www.mylanguagelabs.com](http://www.mylanguagelabs.com) or you can purchase a valuepack of the text + MyLanguageLabs 24-month access (ISBN: 0205872387).

When we walk, we have time to talk. The natural human pace is walking. We can run or sprint, but not for long. Eventually, we are exhausted and have to stop. But we can walk almost endlessly. It is actually amazing how far we can go when we walk, ultimately much farther than when we run. The ¡Anda! program was designed to give students more opportunities to pause and take a breath to take in all that makes up the exciting Spanish-speaking world. ¡Anda!'s streamlined approach to grammar and vocabulary helps instructors slow the pace of Elementary and Intermediate Spanish, giving students time to put language to use. New online resources in MySpanishLab - such as tools that enable students to practice Spanish with native speakers from around the world and engaging video content that offers insights into Spanish-speaking cultures - further help facilitate meaningful learning experiences within and outside the classroom.

EXPLORACIONES transforms students into culturally competent Spanish speakers by providing learning strategies, systematic self-assessments, integration of the National Standards, and a focus on the practical purposes of language study. Created through a “student-tested, faculty-approved” review process with thousands of students and hundreds of faculty, this text is an engaging and accessible solution. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The quickest, easiest way for Spanish speakers to master English verbs Ideal for business, travel, or living in an English-speaking world, Manual completo de los verbos en ingles presents the English verb system in a single, compact volume for beginning- to intermediate-level language learners. Written in Spanish for native Spanish speakers, it provides numerous examples illustrating verbs in action, and notes containing important insights into the meanings and usages of different forms. This updated and expanded second edition includes practical exercises and an answer key, making it an ideal learning tool for ESL students. The perfect way for Spanish speakers to master English verbs, Manual completo de los verbos en ingles: Focuses on the most commonly used verbs in English Covers regular and irregular verbs, grouped according to their patterns Presents auxiliary verbs with complete examples of all their tenses Demonstrates how verbs are integrated into complete sentences Clearly explains the meaning and usage of different verb forms

In this age of a globalism, understanding the governments and politics of other countries is important in understanding the world around us. In "Comparing Liberal Democracies," author Arthur B. Gunlicks contributes to this understanding in a discussion of the institutional structures and backgrounds of four liberal or Western democracies: the United States, United Kingdom, France, Germany, and the most state-like international organization, the European Union. Gunlicks provides a systematic and thematic (rather than country-by-country) approach that promotes comparisons of similarities and differences based on variables and concepts familiar to American and European students and the attentive publics in Europe and North America. After laying out a historical background, he explores liberal democratic, semi-democratic, and non-democratic states; territorial organization; presidential versus parliamentary political systems; separation of powers and checks and balances in these different political systems; electoral systems; legal systems; and the liberal democratic welfare state. A comprehensive core text, "Comparing Liberal Democracies" provides the background and concepts necessary for a better understanding of liberal democracies in general and of the American and major European democracies in particular.

The bestselling phenomenon and inspiration for the award-winning film. Earthy, magical, and utterly charming, this tale of family life in turn-of-the-century Mexico blends poignant romance and bittersweet wit. This classic love story takes place on the De la Garza ranch, as the tyrannical owner, Mama Elena, chops onions at the kitchen table in her final days of pregnancy. While still in her mother's womb, her daughter to be weeps so violently she causes an early labor, and little Tita slips out amid the spices and fixings for noodle soup. This early encounter with food soon becomes a way of life, and Tita grows up to be a master chef, using cooking to express herself and sharing recipes with readers along the way.
