One of great figures in the field, the Argentinian legal historian Víctor Tau Anzoátegui, published in 1997 his *Nuevos horizontes en el estudio histórico del derecho indiano*. The book, in which Tau addressed seminal methodological

The Argentinian legal historian called for more scholarly works on book history, and he thought that provincial and local histories of Spanish colonial law had been studied too little. Equally manifest is, however, that new challenges to legal history and Spanish colonial law have emerged. The challenges of
