A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Luck is on the side of most during the incident at the Four Kings Casino and Hotel, when the simmering tension between two rival biker gangs suddenly boils over into all-out violence -- miraculously, there are only two fatalities despite the hundreds of rounds fired on the casino floor. Called to an out-of-control crime scene -- located outside Las Vegas in the legendary town of Boot Hill -- forensic investigators Gil Grissom, Catherine Willows, Nick Stokes, and Sara Sidle quickly discover that the two casino shootout victims were no innocent bystanders: one was the powerful leader of the Predator gang, and the other a luckless card dealer who may have borne witness to an elaborately staged execution. Meanwhile, back in the glitter of Sin City, CSIs Warrick Brown and Greg Sanders have their own hands full, as the dark side of this desert metropolis is about to wreak havoc on the two investigators via a seemingly endless series of crimes. . . .

The machinations of a new supervisor may have altered Gil Grissom's team of skillful CSIs, as Catherine Willows, Nick Stokes, and Warrick Brown are reassigned from the graveyard shift to the swing shift. That doesn't mean, however, that their paths will never cross. During the course of their separate investigations, the teams must unite again to investigate two distinct murders -- atrocities that are oddly aligned as they share much of the same collective evidence. Despite the different M.O.s, the CSIs are uncovering two wildly imperfect crimes that could possibly add up to an almost perfect one...

While Gil Grissom, Sara Sidle, and Nick Stokes investigate the possible murder of a woman at the hands of her greedy new husband at the request of the victim's daughter, Catherine Willows and Warrick Brown probe the sudden death of Vivian Elliot, a patient at the Sunny Day Continuing Care Facility. Original. (A CBS television series, executive produced by Jerry Bruckheimer, starring William Petersen, Marg Helgenberger, Gary Dourdan, George Eads, Jorja Fox, & Paul Guilfoye) (Suspense)

What happens when a reality TV series gets a true dose of reality? A staged prank for a hit scare show has gone horribly wrong with an actor now dead and production halted indefinitely. As the graveyard shift of Sin City 's best crime scene investigators—including Catherine Willows, Ray Langston, Nick Stokes, Sara Sidle, and Greg Sanders—digs deeper behind the scenes, more questions than answers pile up: Was the botched prank 's set-up simply a case of carelessness on the producers ' part resulting in a tragic accident, or did someone really orchestrate an elaborate scheme for revenge and murder?
