As the only book of its kind, this book describes the social and historical background of this signed language and places Irish Sign Language in a world context. The Signs of Ireland corpus is used to introduce phonology, morphology, syntax, semantics and pragmatics. It also examines the key influences driving signed language linguistics in the past decade, including: recognition of the role of gesture; the influence of cognitive linguistics; the complexities of iconic representation in signing space; the role of simultaneous construction; and the grammar of ISL. All examples listed are drawn from the Signs of Ireland corpus, one of the largest digital

corpora of a signed language in Europe, and are included on the accompanying DVD. An essential resource for sign language teachers and interpreters, students of sign linguistics, and learners of ISL in Ireland, this book offers new insights into the role of gesture, spatial models, iconicity, metaphor, and metonymy in ISL grammar, vocabulary and discourse.

The Art of Fire Emblem Awakening contains an in-depth, behind-the-scenes look at the smash-hit 3DS game, from beautifully illustrated renditions of your favorite characters, to storyboards for in-game events, character designs, weapon designs, character profiles, and the entirety of the script with every possible branch of dialogue! Relive some of the most poignant moments of the game, or see what might have been if you had made different in-game decisions with the Art of Fire Emblem Awakening!

The abolitionist author presents profound insight on the meaning of race and freedom in America in this memoir of slavery, escape, and reinvention. One of the most important figures in the American civil rights movement, Frederick Douglass was a major influence on social and political thought in the nineteenth century. His autobiographical writings were a powerful vehicle for his philosophy of human equality. Written ten years after his legal emancipation in 1846, *My Bondage and My Freedom* recounts Douglass's journey—intellectual, spiritual, and geographical—from life as a slave under various masters, and his many plots and attempts at escape, to his liberation, time as a fugitive, and new life as a prominent abolitionist. Expanding on his earlier work *Narrative of the Life of Frederick Douglass*, this later memoir illuminates Douglass's maturation as a writer and thinker.
