He seems to say to him, "If you call me good, believe that I am God; for no one is good, intrinsically good, but God. God alone is essentially good, and wise, and powerful, and holy. It is from him that angels and men derive a few drops, or rather some faint adumbration, of his goodness. There is none essentially, entirely, absolutely good but one, that is, God. Therefore seek after him, love ...

NATIONAL BESTSELLER • NATIONAL BOOK CRITICS CIRCE WINNER • With music pulsing on every page, this startling, exhilarating novel of self-destruction and redemption "features characters about whom you come to care deeply as you watch them doing things they shouldn't, acting gloriously, infuriatingly human" (The Chicago Tribune). Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. "Pitch perfect.... Darkly, rippingly funny.... Egan possesses a satirist's eye and a romance novelist's heart." —The New York Times Book Review

Terry Ryan was poised to take the hockey world by storm when he was selected eighth overall by the Montreal Canadiens in the 1995 NHL draft, their highest draft pick in a decade. Expected to go on to become a hockey star, Ryan played a total of eight NHL games for the Canadiens, scoring no goals and no assists: not exactly the career he, or anyone else, was expecting. Though Terry's NHL career wasn't long, he experienced a lot and has no shortage of hilarious and fascinating revelations about life in pro hockey on and off the ice. In *Tales of a First-Round Nothing*, he recounts fighting with Tie Domi, partying with rock stars, and everything in between. Ryan tells it like it is, detailing his rocky relationship with Michel Therrien, head coach of the Canadiens, and explaining what life is like for a man who was unprepared to have his career over so soon.

Junior high is where things really start to happen. Cliques form and break apart. Couples are made and destroyed. And a reputation is solidified that you won't ever be able to escape. Everything you do and say, and everyone you spend your time with, matters. Katie Mills knows that. She gets it. That's why she tried so hard to get in with the cool girls at school. And why she was so devastated when those efforts found her detained for shoplifting and laughed out of cheer squad tryouts. But Katie has more to worry about than just fitting in. Her parents are divorced and always fighting. Her sister never has time for her. And her friends all seem to be drifting apart. Even worse? The boy she has a crush on is dating the mean girl at school. Everything is a mess, and Katie doesn't feel like she has control over any of it. Certainly not over her weight, which has always topped out at slightly pudgier than normal—at least, according to her mother. So when she happens to catch one of the popular girls throwing up in the bathroom one day, it sparks an idea. A match that quickly engulfs her life in flames. Is there any going back once she gets started down this path? And would she even want to if she could?

They say blood is thicker than water, but how far are you willing to go when blood puts your life on the line? Jack and Lukewarm have always been bound by blood, but when Lukewarm gets Jack involved in his next scheme for riches without giving him any details other than telling him that no one will die, Jack must then choose between being down with his blood or ditching this deadly dilemma before it's too late! *Cold Blooded Goons* is the untold back story of the character named Jack from the pages of the novel *First Degree Sins*.

One of hockey's most colourful characters, from hockey's most colourful era, tells all Gilles Gratton was not a typical pro hockey player. He refused to don his equipment and man his net if the planets were not properly aligned. He skated naked at practice. He created one of hockey's most famous goalie masks based on his astrological sign. He fought with coaches and management, speaking his mind to his detriment. Sex, drugs, and rock 'n' roll ruled his life, not stopping pucks. Truthfully? He never really wanted to be an NHL goaltender; he wanted to be Tibetan monk. And so, he quit hockey to seek enlightenment. Now, in his autobiography, Gratton teams up with author Greg Oliver to tell his wild and at times, yes, loony story: from his early days in Montreal, where his brother Norm Gratton became an NHL player, too; through his stints with the OHA's Oshawa Generals, the Ottawa Nationals and Toronto Toros of the rogue WHA, and the St. Louis Blues and New York Rangers in the NHL.

Documenting his notorious career with the Detroit Red Wings and the Chicago Blackhawks, Bob Probert details in this autobiography how he racked up points, penalty minutes, and bar bills, establishing himself as one of the most feared enforcers in the history of the NHL. As Probert played as hard off the ice as on, he went through rehab 10 times, was suspended twice, was jailed for carrying cocaine across the border, and survived a near fatal motorcycle crash all during his professional career, and he wanted to tell his story in his own words to set the record straight. When he died unexpectedly of a heart attack at the age of 45 on July 5, 2010, he was hard at work on his memoir—a gripping journey through the life of Bob Probert, with jaw-dropping stories of his on-ice battles and his reckless encounters with drugs, alcohol, police, customs officials, courts, and the NHL, told in his own voice and with his rich sense of humor.

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become *Freak The Mighty* and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

'Why did the guy eat two dead skunks for breakfast?' 'Because dead ones squeal when you stick the fork in.' Gary W. Boone knows he was born to be a stand-up comedian. Gary's sure that this will be his big break — he'll make everyone laugh and will win the \$100 prize money. But when an outrageous surprise threatens to turn his debut into a disaster, it looks as if the biggest joke of all may be on Gary himself.
