Access Free Esquire Guide To Men39s Style

This book explores the burgeoning genre of men ' s lifestyle magazines, their production and consumption, and related constructions of masculinity. Interdisciplinary exploration of the

Access Free Esquire Guide To Men39s Style

burgeoning genre of men ' s lifestyle magazines. Addresses key questions about the production and consumption of men ' s lifestyle magazines, and their contribution to current gender politics. Contributors make use of a range of methodologies, including

Access Free Esquire Guide To Men39s Style

interviews with magazine editors, focus groups with readers, corpus linguistics and discourse analysis. Draws on scholarship from sociology, media studies, cultural studies and linguistics. Uses new research data, including comparative data from different

Access Free Esquire Guide To Men39s Style

countries, gay magazines and sporting magazines.

From its beginning, jazz has presented a contradictory social world: jazz musicians have worked diligently to erase old boundaries, but they have just as resolutely

Access Free Esquire Guide To Men39s Style

constructed new ones. David Ake's vibrant and original book considers the diverse musics and related identities that jazz communities have shaped over the course of the twentieth century, exploring the many ways in which jazz musicians and audiences experience and

Access Free Esquire Guide To Men39s Style

understand themselves, their music, their communities, and the world at large. Writing as a professional pianist and composer, the author looks at evolving meanings, values, and ideals--as well as the sounds--that musicians, audiences, and critics carry to and

Access Free Esquire Guide To Men39s Style

from the various activities they call jazz. Among the compelling topics he discusses is the "visuality" of music: the relationship between performance demeanor and musical meaning. Focusing on pianists Bill Evans and Keith Jarrett, Ake investigates the

Access Free Esquire Guide To Men39s Style

ways in which musicians' postures and attitudes influence perceptions of them as profound and serious artists. In another essay, Ake examines the musical values and ideals promulgated by college jazz education programs through a consideration of saxophonist John

Access Free Esquire Guide To Men39s Style

Coltrane. He also discusses the concept of the jazz "standard" in the 1990s and the differing sense of tradition implied in recent recordings by Wynton Marsalis and Bill Frisell. Jazz Cultures shows how jazz history has not consisted simply of a smoothly

Access Free Esquire Guide To Men39s Style

evolving series of musical styles, but rather an array of individuals and communities engaging with disparate--and oftentimes conflicting--actions, ideals, and attitudes.

An exploration of the challenged state of masculinity in our post-

Access Free Esquire Guide To Men39s Style

feminist society of gender equality. As we reach the millennium, there is hardly anything to be done that cannot be done by women - where does this leave men? Have men been pushed out of parenting - even of procreation? The brute strength of

Access Free Esquire Guide To Men39s Style

the male is no longer necessary to mine coal or build ships - or even make war. Men don't have to "provide" for their families, as more women harness their intelligence and generate their own incomes. Is it surprising that male suicides outnumber female by a

Access Free Esquire Guide To Men39s Style

factor of 3 or 4 to 1, or that the predilection of males to be violent - once seen as a source of pride - now seems to threaten our very culture and civilisation? Is what Clare calls the "phallic man" - assertive, authoritative, dominant, in control not only of himself but of

Access Free Esquire Guide To Men39s Style

women - dying out? As a practising psychiatrist, Anthony Clare brings a knowledge of science and medicine plus a deep understanding of the human heart and mind to this lively, readable, fair-handed and above all sympathetic examination of the

Access Free Esquire Guide To Men39s Style

male in today's society.

This book focuses on women's magazines, on how they are read and the role they play in their readers' lives.
