Over the next four years—in which Ritvo's illness returned and his health declined, even as his productivity bloomed—the two exchanged letters that spark with urgency, humor, and the desire for connection. Studded with poems and songs, Letters from Max is a deeply moving portrait of a friendship, and a shimmering exploration of love, art, mortality, and the afterlife. Praise for Letters from Max "An unusual, beautiful book about nothing less than the necessity of art in our lives.
