The Student's Guide to Ultimate Power GURPS! A game with infinite possibilities. Even those familiar with this award-winning system may not feel they've mastered the fundamentals . . . and those just starting with this game may feel lost amid the possibilities. You want help. You could use a guide. You need How to Be a GURPS GM. For the player, this supplement offers insight into how to create the perfect character to fit your vision, plus three examples of character creation and two new fantasy templates. The chapter dedicated to customizing combat and using various options can be particularly helpful for new and veteran players in making aggressive altercations even more exciting. For the

Game Master, the supplement discusses everything needed to run a campaign: how to prepare the game setting, assist the players with the creation of their heroes, create challenging and engaging encounters, and design and run the first adventure. The included overview of the Fourth Edition line, plus recommended resource lists for eight popular genres, can help the GM decide which supplements will be most helpful to craft a new campaign. This supplement also provides canonical insight from Sean "Dr. Kromm" Punch, who draws on decades of experience answering questions and providing clarifications as the GURPS Line Editor. Throughout, it follows a group of example players new to GURPS, from when their GM first opens the Basic Set through the starting session of their inaugural adventure. How

to Be a GURPS GM is an invaluable aid for getting started with GURPS, bridging the previously perilous step between reading the Basic Set and participating in your first game. Half of power is knowing how to use it. With How to Be a GURPS GM, you'll be on your way to unleashing the full potential of GURPS like never before!

Welcome to the land of Yrth, a magical realm of incredibly varied races and monsters - including people snatched from our Earth and other worlds by the cataclysmic Banestorm! Whole villages were transported - from such diverse locales as medieval England, France, Germany, and the Far East. Now humans struggle with dwarves, elves, and each other. The Crusades aren't ancient history here - they're current

events! Characters can journey from the windswept plains of the Nomad Lands - where fierce Nordic warriors seek a valiant death to earn a seat in Valhalla - to Megalos, the ancient empire where magic and political intrigue go hand in hand. Or trek south to the Muslim lands of al-Wazif and al-Haz to explore the forbidden city of Geb'al-Din. This book updates the original Yrth of GURPS Third Edition Fantasy and Fantasy Adventures. It provides GMs with a complete world background - history, religion, culture, politics, races, and a detailed map - everything needed to start a GURPS campaign. Phil Masters (Discworld and Hellboy RPGs) and Jonathan Woodward (Hellboy and GURPS Ogre) have added new peoples, places, and plots, as well as lots more on magic and mysticism, all of which conforms to GURPS Fantasy and

Atlantis formed the centre of a vast and powerful empire. From there, the divinely-descended lords of the western ocean made war on the rest of the world, until a brave resistance drove them back, and the gods punished them for their hubris. In that last cataclysmic struggle between gods and mortals, the whole island continent sank beneath the sea. For the first time, this book reconstructs the fact and fiction of that lost age of gods and heroes, including the political organization of the Atlantean Empire, the equipment and tactics of the armies of Atlantis and their enemies, and the stories of the great wars themselves, from the early struggles between Atlantean colonies and the Amazons of North Africa to the final and catastrophic counter-invasion of Atlantis by the peoples of Europe and Asia.
