capers, such as the Great Train Robbery, in the shade. This was a crime notable for its audacity, carried out by an unlikely crew of players that included a used car salesman, two Albanian casual workers and a roofer. Five men were convicted at the Old Bailey in January 2008, which attracted nationwide media coverage. A sixth man, Paul Allen, was sentenced in October 2009 for his part. Having become close to the Tonbridge gang and the police during three years of research, Sounes relates a classic crime caper in irresistible, almost forensic detail. After the robbery comes the exciting, sometimes comical story of the getaway. Money is found and arrests are made but key characters slip out of the country, and millions of pounds are still missing. HEIST is the definitive account of these compelling events, is wildly

killers and then perform one simple task: find the most famous missing painting in the world. Sometimes the best way to find a stolen masterpiece is to steal another one. . . . The dead man is a fallen British spy with a secret: he has been trafficking in stolen artworks and selling them to a mysterious collector. Among those paintings is the world's most iconic missing masterpiece: Caravaggio's glorious Nativity with St. Francis and St. Lawrence. Gabriel embarks on a daring gambit to recover the Caravaggio and learn the identity of the collector. His search will take him on an exhilarating hunt—from the shimmering boulevards of Paris and London to the gritty criminal underworlds of Marseilles and Corsica, and finally to a small private bank in Austria where a dangerous man stands guard over the ill-gotten
