The #1 New York Times bestselling series featuring police lieutenant Eve Dallas. New York City's most vulnerable citizens fall victim to a ruthless serial killer.

A quartet of holiday stories of romance and suspense includes J.D. Robb's "Midnight in Death," Susan Plunkett's "Christmas Promises," Dee Holmes's "The Unexpected Gift," and Claire Cross's "A Berry Merry Christmas."

A madman brutally murders two men--both with ties to an ugly secret shared by Eve's new husband, Roarke.

Eve Dallas deals with a homicide--and the holiday season--in this thrilling In Death novel from #1 New York Times bestselling author J. D. Robb. Personal trainer Trey Ziegler was in peak physical condition. If you didn't count the kitchen knife in his well-toned chest. Lieutenant Eve Dallas soon discovers a lineup of women who were loved and left by the narcissistic gym rat. While Dallas sorts through the list of Ziegler's enemies, she's also dealing with her Christmas shopping list--plus the guest list for her and her billionaire husband's upcoming holiday bash. Feeling less than festive, Dallas tries to put aside her distaste for the victim and solve the mystery of his death. There are just a few investigating days left before Christmas, and as New Year's 2061 approaches, this homicide cop is resolved to stop a cold-blooded killer.

Each murder victim died with a smile on their face. The only one who isn't grinning is Police Lieutenant Eve Dallas--because she's got to find out why.

"When it comes to finding a killer, the smart money is always on Eve Dallas" (Booklist). Join the New York homicide detective as she takes on five tough cases in this collection that includes books 6-10 in the gritty futuristic series that's filled with #1 New York Times bestselling author J. for Eve the victim isn't just "one of us." Eve starts questioning everyone while her husband, Roarke, digs into computer data on the dead woman's life back in Atlanta. To their shock, they discover a connection between this case and their own painful, shadowy pasts. The truth will need to be uncovered one layer at a time, starting with the box that arrives at Cop Central addressed to Eve, containing Coltraine's guns, badge, and a note from her killer: "You can have them back. Maybe someday soon, I'll be sending yours to somebody else." But Eve Dallas doesn't take too kindly to personal threats, and she is going to break this case, whatever it takes. And that's a promise.

Echoes in Death, the chilling new suspense novel from #1 New York Times bestselling author J.D. Robb is the perfect entry point into the compelling In Death police procedural series featuring Lieutenant Eve Dallas. As NY Lt. Eve Dallas and her billionaire husband Roarke are driving home, a young woman—dazed, naked, and bloody—suddenly stumbles out in front of their car. Roarke slams on the brakes and Eve springs into action. Daphne Strazza is rushed to the ER, but it's too late for her husband Dr. Anthony Strazza. A brilliant orthopedic surgeon, he now lies dead amid the wreckage of his obsessively organized town house, his three safes opened and emptied. Daphne would be a valuable witness, but in her terror and shock the only description of the perp she can offer is repeatedly calling him "the devil"... While it emerges that Dr. Strazza was cold, controlling, and widely disliked, this is one case where the evidence doesn't point to the spouse. So Eve and her team must get started on the legwork, interviewing everyone from dinner-party guests to professional colleagues to caterers, in a desperate race to answer some crucial questions: What does the devil look like? And where will he show up next?
