Anne Tyler: I think Nat says it best: it's a time trip. If you look at Delia's journey from one angle, it is nothing but an attempt to travel back through the life she's already lived, doing it right this time (as in the unnamed movie, Groundhog Day , referred to toward the end of the book).

"UTTERLY COMPELLING . . . WONDERFULLY SATISFYING . . . VIRTUALLY FLAWLESS." --Chicago Tribune BALTIMORE WOMAN DISAPPEARS DURING FAMILY VACATION, declares the headline. Forty-year-old Delia Grinstead is last seen strolling down the Delaware shore, wearing nothing more than a bathing suit and carrying a beach tote with five hundred dollars tucked inside. To her husband and three almost-grown children, she has vanished without trace or reason. But for Delia, who feels like a tiny gnat buzzing around her family's edges, "walking away from it all" is not a premeditated act but an impulse that will lead her into a new, exciting, and unimagined life. . . .

"TYLER DETAILS DELIA'S ADVENTURE WITH GREAT SKILL. . . . As so often in her earlier fiction, [she] creates distinct characters caught in poignantly funny situations. . . . Tyler writes with a clarity that makes the commonplace seem fresh and the pathetic touching." --The New York Times

One warm summer's day at the beach, forty-year-old Cordelia Grinstead, dressed only in a swimsuit and beach robe, walks away from her family and just keeps on going. After hitching a ride with a stranger to a new town where she knows no one, she reinvents herself as a single woman with no ties and begins living a new life altogether. But how long can she keep this up before her real life finds her? ****ANNE TYLER HAS SOLD OVER 1 MILLION BOOKS WORLDWIDE****

In this, her fourteenth novel--and one of her most endearing--Anne Tyler tells the story of a lovable loser who's trying to get his life in order. Barnaby Gaitlin has been in trouble ever since adolescence. He had this habit of breaking into other people's houses. It wasn't the big loot he was after, like his teenage cohorts. It was just that

he liked to read other people's mail, pore over their family photo albums, and appropriate a few of their precious mementos. But for eleven years now, he's been working steadily for Rent-a-Back, renting his back to old folks and shut-ins who can't move their own porch furniture or bring the Christmas tree down from the attic. At last, his life seems to be on an even keel. Still, the Gaitlins (of "old" Baltimore) cannot forget the price they paid for buying off Barnaby's former victims. And his ex-wife would just as soon he didn't show up ever to visit their little girl, Opal. Even the nice, steady woman (his guardian angel?) who seems to have designs on him doesn't fully trust him, it develops, when the chips are down, and it looks as though his world may fall apart again. There is no one like Anne Tyler, with her sharp, funny, tender perceptions about how human beings navigate on a puzzling planet, and she keeps us enthralled from start to finish in this delicious new novel.

"To read a novel by Anne Tyler is to fall in love." —PEOPLE Thirty-eight-year-old Jeremy Pauling has never left home. And it is then that Jeremy is forced to take in Mary Tell and her child as boarders. Mary is unaware of how much courage it takes Jeremy to look her in the eye. For Jeremy, like one of his paper creations, is fragile and easily torn--especially when he's falling in love....

In this irresistible #1 New York Times best-selling novel, Anne Tyler explores the slippery alchemy of attracting opposites, and the struggle to rebuild one's life after unspeakable tragedy. unwillingness to compromise his creature comforts. Then he meets Muriel, an eccentric dog trainer too optimistic to let Macon disappear into himself. Despite Macon's best efforts to remain insulated, Muriel up-ends his solitary, systemized life, catapulting him into the center of a messy, beautiful love story he never imagined. rocking beats of the 1970s, generations of Pecks have maintained a determined steadiness. Adamantly middle class—Peck-proud, as the family slogan goes—they are quick to sweep under the rug those members who do not live up to their standards. Maybe that's why Caleb Peck took off with his violincello as a boy? Sixty years later, his brother Daniel is still wondering. No longer willing to live without answers, he turns to his daughter-in-law, Justine, another Peck family eccentric. A studied tarot card reader, Justine comes across one message over and over in the cards: change is coming. With Daniel's help, she's hoping to find the courage to embrace whatever happens next. An unlikely pair struggling against a stifling family, Daniel and Justine believe they'll find freedom in just the right mix of magic, music, and mystery.

"You'll want to turn back to the first chapter the moment you finish the last." —PEOPLE "Once upon a time, there was a woman who discovered that she had turned into the wrong person." The woman is Rebecca Davitch, a fifty-three-year-old grandmother. On the surface, Beck, as she is known to the Davitch clan, is outgoing, joyous, a natural celebrator. Giving parties is, after all, her vocation—something she married into after Joe Davitch spotted her at an engagement party in his family's crumbling nineteenth-century

Baltimore row house, where giving parties was his family business. What caught Joe's fancy was that she seemed to be having such a wonderful time. Soon this large-spirited divorcé with three little girls swept Beck into his orbit, and before she knew it she was embracing his extended family—plus a child of their own—and hosting endless parties in the ornate, high-ceilinged rooms of The Open Arms. Now, some thirty years later, after presiding over a disastrous family party, Rebecca is caught un-awares by the question of who she really is. Is she an impostor in her own life? Is it indeed her own life? How she answers—how she tries to recover her girlhood self, that dignified grownup she had once been—is the story told in this beguiling, funny, and deeply moving novel.

From the inimitable Anne Tyler, a rich and compelling novel about a mismatched marriage—and its consequences, spanning three generations. They seemed like the perfect couple—young, good-looking, made for each other. The moment Pauline, a stranger to the Polish Eastern Avenue neighborhood of Baltimore (though she lived only twenty minutes away), walked into his mother's grocery store, Michael was smitten. And in the heat of World War II fervor, they are propelled into a hasty wedding. But they never should have married. Pauline, impulsive, impractical, tumbles hit-or-miss through life; Michael,

plodding, cautious, judgmental, proceeds deliberately. While other young marrieds, equally ignorant at the start, seemed to grow more seasoned, Pauline and Michael remain amateurs. In time their foolish quarrels take their toll. Even when they find themselves, almost thirty years later, loving, instant parents to a little grandson named Pagan, whom they rescue from Haight-Ashbury, they still cannot bridge their deep-rooted differences. Flighty Pauline clings to the notion that the rifts can always be patched. To the unyielding Michael, they become unbearable. From the sound of the cash register in the old grocery to the counterculture jargon of the sixties, from the miniskirts to the multilayered apparel of later years, Anne Tyler captures the evocative nuances of everyday life during these decades with such telling precision that every page brings smiles of recognition. Throughout, as each of the competing voices bears witness, we are drawn ever more fully into the complex entanglements of family life in this wise, embracing, and deeply perceptive novel.
