Candice Phee isn't a typical twelve-year-old girl. She has more than her fair share of quirks, but she also has the very best of intentions and an unwavering determination to make sure everyone around her is happy—which is no easy feat when dealing with a pet fish with an identity crisis, a friend who believes he

Access Free My Life As An Alphabet Barry Jonsberg

came from another dimension, an age-old family feud, and a sick mom. But she is on a mission. Her methods might be unique, but Candice will do whatever it takes to restore order to her world and make sure everyone is absolutely, categorically happy again.

In 15th-century Korea, King Sejong was distressed. The complicated Chinese characters used for reading and writing meant only rich, educated people could read—and that was just the way they wanted it. But King Sejong thought all Koreans should be able to read and write,

Access Free My Life As An Alphabet Barry Jonsberg

so he worked in secret for years to create a new Korean alphabet. King Sejong's strong leadership and determination to bring equality to his country make his 600-year-old story as relevant as ever.

Welcome to Mister Doodle's world—it's different as can be. Come along and help

Access Free My Life As An Alphabet Barry Jonsberg

explore his world from A to Z. In C Is for City, we meet Mister Doodle—a stick figure who lives somewhere in between the real world and a child's imagination. He's smart and sophisticated with a hint of goofiness—a winning combination that allows him to teach the ABC's while entertaining! C Is for City introduces

Access Free My Life As An Alphabet Barry Jonsberg

toddlers to a unique art style—a mixture of black line art and photography—never before seen in board books. The black ink drawings are simple and clean. The photographs are colorful, and chosen strategically to highlight each letter being taught. The Mister Doodle books also have a “hidden” layer of educational

Access Free My Life As An Alphabet Barry Jonsberg

content for hours of fun learning! On each page of C Is for City, toddlers will learn multiple words that start with that particular letter—not just the one word mentioned in the text. For example, they will discover that not only is C for “City,” but C is for “car” or “cab” as well. The entertainment and educational value of

Access Free My Life As An Alphabet Barry Jonsberg

this alphabet book far surpasses one read!

Missing Letters is not a typical alphabet book-it's a word game that teaches the importance of each letter by illustrating what happens when they're removed from words. The results are surprising as words and meaning are transformed. It can be

Access Free My Life As An Alphabet Barry Jonsberg

dramatic as Will becomes ill and play becomes pay, or it can be funny when peaks become peas and banana becomes 'baaa'. Lively illustrations and a diverse cast of characters accentuate the changes, helping children increase their phonemic awareness-the ability to hear sounds not only in the starts of words but also in the

Access Free My Life As An Alphabet Barry Jonsberg

middle or end. Missing Letters can also extend beyond the pages by thinking of your own words that change when you remove a letter. It's accessible to children of any age. Young pre-readers can focus on the missing sounds and compare the illustrations, while early readers can look at the spellings to spot the difference.

Access Free My Life As An Alphabet Barry Jonsberg

Perfect for gift-giving, here is THE alphabet book to top all others, an oversized work of brilliance from the illustrator of the #1 New York Times bestselling *The Day the Crayons Quit!* If words make up the stories and letters make up the words, then stories are made

Access Free My Life As An Alphabet Barry Jonsberg

up of letters. In this menagerie we have stories made of words, made FOR all the letters. The most inventive and irresistible book of the year spans a mere 26 letters (don't they all!) and 112 pages. From an Astronaut who's afraid of heights, to a Bridge that ends up burned between friends, to a Cup stuck in a cupboard and

Access Free My Life As An Alphabet Barry Jonsberg

longing for freedom, Once Upon an Alphabet is a creative tour de force from A through Z. Slyly funny in a way kids can't resist, and gorgeously illustrated in a way readers of all ages will pour over, this series of interconnected stories and characters explores the alphabet in a way that will forever raise the bar. In Once

Access Free My Life As An Alphabet Barry Jonsberg

Upon an Alphabet, #1 New York Times bestseller Oliver Jeffers has created a stunning collection of words and artwork that is a story book, alphabet book, and gorgeously designed art book all in one. Praise for ONCE UPON AN

ALPHABET: An Amazon Best Book of 2014! A Publishers Weekly Best Book of

Access Free My Life As An Alphabet Barry Jonsberg

the Year! A School Library Journal Best Book of the Year! A New York Times Bestseller! * "The silly, spare, slightly surreal text occasionally rhymes and endlessly surprises. An utterly delightful alphabet book."—Kirkus Review, starred review * "With wry humor, equally droll ink illustrations, and a solid dose of

Access Free My Life As An Alphabet Barry Jonsberg

alliteration, Jeffers creates delightful mini-narratives for each letter of the alphabet."—Publishers Weekly, starred review * "An altogether stimulating, surprising, and satisfying reading experience."—School Library Journal, starred review * "Whimsical, funny, occasionally tragic, and highly

Access Free My Life As An Alphabet Barry Jonsberg

entertaining, this collection of (sometimes) interlocking tales is brilliantly inventive."—Horn Book, starred review "Jeffers knows how to catch the attention of his young audience while challenging their imagination, intellect and vocabulary. This whimsical exploration of letters and language begs to be read over and over

Access Free My Life As An Alphabet Barry Jonsberg

again."—BookPage "Handsome, humorous and clad in bright tomato-red, [this] is the sort of book you may want to rush into the arms of imaginative, good-natured children between 4 and 10 years old. [T]his is no traditional abecedarian exercise. The stories are wonderfully varied, sometimes philosophical and often

Access Free My Life As An Alphabet Barry Jonsberg

end surprisingly; the drawings are just as quirky and unpredictable."—The Wall Street Journal "[W]itty from A to Z . . . no one would blame you for having a copy even if there are no kids in the house. Think of it as Edward Gorey for the preschool set — and their hip parents."—The Washington Post
