A gripping supernatural mystery and romance set in post-Katrina New Orleans. Rebecca couldn't feel more out of place in New Orleans. She's staying in a creepy house with her aunt, who reads tarot cards. And at the snooty prep school, a pack of filthy-rich girls treat Rebecca like she's invisible. Only gorgeous, unavailable Anton Grey gives Rebecca the time of day, but she wonders if he's got a hidden agenda. Then one night, among the oak trees in Lafayette Cemetery, Rebecca makes a friend. Sweet, mysterious Lisette is eager to show Rebecca the nooks and crannies of New Orleans. There's just one catch. Lisette is a ghost.

culture through the last 3,000 years. The GARRUBBO GUIDE covers everything you need to know about the most popular Italian foods, from bread and olive oil, to prosciutto and mozzarella, to panini, pizza, and pasta . . . all the way to gelato, espresso, and sambuca! The comprehensive chapter on wine simplifies the elaborate world of Italian wine. Adorned with simple and happy illustrations, the book contains an extensive Italian food glossary, a detailed table of pasta shapes, as well as sample menus from Italy's 20 regional cuisines. Also learn the famous Italian "food rules," and a bit of history, grammar, and geography, all right here, in a fun, easy, and stylish handbook.

scientific research and updated case studies, the business classic that offers a revealing look at psychopaths in the workplace—how to spot their destructive behavior and stop them from creating chaos in the modern corporate organization. Over the past decade, *Snakes in Suits* has become the definitive book on how to discover and defend yourself against psychopaths in the office. Now, Dr. Paul Babiak and Dr. Robert D. Hare return with a revised and updated edition of their essential guide. All of us at some point have—or will—come into contact with psychopathic individuals. The danger they present may not be readily apparent because of their ability to charm, deceive, and manipulate. Although not necessarily criminal, their self-serving nature frequently is destructive to the

organizations that employ them. So how can we protect ourselves and our organizations in a business climate that offers the perfect conditions for psychopaths to thrive? In *Snakes in Suits*, Hare, an expert on the scientific study of psychopathy, and Babiak, an industrial and organizational psychologist and a leading authority on the corporate psychopath, examine the role of psychopaths in modern corporations and provide the tools employers can use to avoid and deal with them. Together, they have developed the B-Scan 360, a research tool designed specifically for business professionals. Dr. Babiak and Dr. Hare reveal the secret lives of psychopaths, explain the ways in which they manipulate and deceive, and help you to see through their games. The rapid pace of today's corporate environment

perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.

This book highlights the sustainability aspects of additive manufacturing (AM) in two separate volumes. It describes the details of this technology and its implications on the entire product life cycle sustainability, as well as embedded carbon and the further research needed to move this

technology towards sustainable, mainstream production. Sustainability is not new for any area of industry, including additive manufacturing, and there are currently a number of ongoing research projects, both in industry and in academic institutions, that are investigating sustainability, embedded carbon and research activities which would need to be done in the future to move this technology towards sustainable mainstream production.

After the deaths and arrests of his entire crew and an informant-fueled investigation into his past, the man known on the streets as Animal relocates to Texas and finds fame and stardom as the newest act signed to the notorious Big Dawg Entertainment. His girlfriend, Gucci, is thrilled when
