"This second major title channeled by Christine Day is a spiritual but practical roadmap that will show you how to navigate through these challenging, changing times, to understand the roles presaged by our conscious choice"--

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."

Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amorah Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

Now that the end of time has shown itself as a prime number, nine may reveal the mysteries of love, nemesis, creative minimalism and the gleam of opalescent truth in every aspect of being. Join the Pleiadian Renegades in Opalescence for a romp through understanding as you have never known it to be, the one true dimensional shift that heads straight for the heart of all. Treasures await. Greet the light of a new day. It's time to awaken to a new world. The book Opalescence: The Pleiadian Renegade Guide to Divinity triggers awakening to timeless truths about our place in the cosmic assembly of life. Enter the dawning era of sentient awareness of a greatly expanded landscape of human interaction, technology, scientific understanding, and knowledge of essential human history with the League of Light as guides. Maryann Rada's writings for the League of Light speak to our transformation toward a galactic humanity. Words encoded unravel forgotten mysteries, bringing light into the depths of individual and collective healing. Among her books, Remembrance: Pleiadian Messages in Preparation for Contact forms the foundation of an exciting new feature film project. The Pleiadian Renegades are a collective of beings from a high-frequency, low-density reality that sources from the light of the sun of Alcyone. They are human beings of a higher level of awareness and come to our realm of awareness now as midwives for our collective transformation into the consciousness of divinity. They do this with great love, humor, and depth of understanding.

The Pleiades are a mystifying cluster of stars believed by many to be a source of spiritual wisdom. James Carwin serves as a medium who delivers messages from his Pleiadian spirit guide, Deltavash. This compilation of channeled writings features astounding information told from an extraterrestrial perspective. Learn about the true history of Earth, extraterrestrial races, the nature of good and evil, ascension into the 4th dimension, world predictions and the future of humanity as we approach a window of opportunity leading up to the year 2020 that can forever change our world and affect the entire universe.
