In the final days of World War II, Koreans were determined to take back control of their country from the Japanese and end the suffering caused by the Japanese occupation. As an eleven-year-old girl living with her Japanese family in northern Korea, Yoko is suddenly fleeing for her life with her mother and older sister, Ko, trying to escape to Japan, a country Yoko hardly knows. Their journey is terrifying—and remarkable. It's a true story of courage and survival that highlights the plight of individual people in wartime. In the midst of suffering, acts of kindness, as exemplified by a family of Koreans who risk their own lives to help Yoko's brother, are inspiring reminders of the strength and resilience of the human spirit.

In the final days of World War II, Koreans were determined to take back control of their country from the Japanese and end the suffering caused by the Japanese occupation. As an eleven-year-old girl living with her Japanese family in northern Korea, Yoko is suddenly fleeing for her life with her mother and older sister, Ko, trying to escape to Japan, a country Yoko hardly knows. Their journey is terrifying—and remarkable. It's a true story of courage and survival that highlights the plight of individual people in wartime. The author of the critically acclaimed SO FAR FROM THE BAMBOO GROVE continues her autobiography, describing the hardships, poverty, tragedies, and struggles of life for her and her two older siblings, living as refugees in post-World War II Japan.

A textbook reader for young adults features "So far from the Bamboo Grove" by Yoko Kawashima Watkins, plus short stories, poems, and essays designed to build reading comprehension.

This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical student of folk-lore... In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority...

Two Burmese boys, one a Karenni refugee and the other the son of an imprisoned Burmese doctor, meet in the jungle and in order to survive they must learn to trust each other.

A heartwarming tale of courage, resilience and hope from master storyteller and winner of the prestigious Newbery Medal, Linda Sue Park. When her name was Keoko, Japan owned Korea, and Japanese soldiers ordered people around, telling them what they could do or say, even what sort of flowers they could grow. When her name was Keoko, World War II came to Korea, and her friends and relatives had to work and fight for Japan. When her name was Keoko, she never forgot her name was actually Kim Sun-hee. And no matter what she was called, she was Korean. Not Japanese. Inspired by true-life events, this amazing story reveals what happens when your culture, country and identity are threatened.

Provides a framework for understanding censorship and the protections guaranteed to us through the first amendment. Interpretations of the uniquely American notion of freedom of expression -- and our freedom to read what we choose -- are supplemented by straightforward, easily accessible information that will inspire further exploration.

A young Korean girl survives the oppressive Japanese and Russian occupation of North Korea during the 1940s, to later escape to freedom in South Korea.

Though she is Japanese, 11-year-old Yoko has lived with her family in Korea all her life. When World War II comes to an end, Koreans rise up to take control of their homeland. Yoko and her family are forced to flee their home, and their harrowing journey to safety is the backbone of this remarkable survival story.
