This is the story of the legendary Muhammad Al Fateh, following him from his childhood and how he was raised by his father to become a Caliph of Islam, through to his appointment as the Caliph of the Ottoman Empire at the tender age of 19 and subsequent rule. Without Constantinople under its jurisdiction, the Ottoman Empire was incomplete. And so, Sultan Muhammad AlFateh set out to conquer it. Al Fateh was not the first person to attempt conquering Constantinople. Many warriors and caliphs of Islam before him had tried in vain. Learning from their past failures, AlFateh carefully assembled and equipped his army. Finally, after an epic battle, Constatinople was conquered. Al Fateh changed the name of the city to Istanbul. At his peak, Al Fateh was the ruler of 25 countries. In the end, he was poisoned and killed by his enemies. Yet, the Ottoman Empire and legacy he left behind stayed standing strong.

"It is the contention of the author that the major events of the past, the wars, the depressions and the revolutions, have been planned years in advance by an international conspiracy."--Page 4 of cover.

Irshad Manji’s message of moral courage, with stories about contemporary reformers such as Martin Luther King, Jr., Gandhi, and Islam’s own Gandhi, inspire and show the way to practicing faith without fear. Irshad addresses all people, Muslim and non-Muslim alike, in this universal message about the importance of independent thought and internal strength, of love, liberty, free speech, and the pursuit of happiness. Allah, Liberty, and Love is about creating choices beyond conforming or leaving the faith, which is what Manji hears from young Muslims who write to her in frustration, whose emails, letters, and conversations are included in this book. Manji writes, "I'll show struggling Muslims how to embrace a third option: reforming ourselves." And she recounts many affecting stories from young people who have contacted her for advice on how to step out of limiting views of Islam and the restrictions they put on life, love, family, and careers.

Many want to know what Hinduism is. Many are astonished to hear that Hinduism has no particular creed. Indeed, Hinduism is hard to define. Hinduism is a system which comprises within its fold an infinite variety of thoughts. In this book published by Advaita Ashrama, a Publication centre of Ramakrishna Math, an attempt has been made to give a bird’s-eye view of Hinduism with extracts from the speeches and writings of Swami Vivekananda who may be said to be the best exponent of Hinduism in modern India. The excerpts have been culled from the author’s Complete Works.
