Terror in the Land of the Holy
Spirit: Guatemala Under ...

I was born in Guatemala at the height of a 36-year civil war, during the short but consequential dictatorship of R í os Montt. An outspoken Pentecostal and a former army general, he was tried for genocide even while some – including a number of Christians I know – continue to defend his legacy as an upstanding godly leader.

Created by David Kajganich, Max Borenstein, Alexander Woo. With Jared Harris, Derek Mio, Tobias Menzies, Kiki Sukezane.

Supernatural, semihistorical, horror anthology series, where each season is inspired by a different infamous or mysterious real life historical tragedy.

Between 1982 and 1983, in the name of anti-communism the military government of Guatemala

File Type PDF Terror In The Land Of The Holy Spirit

prosecuted a scorched-earth campaign of terror against largely Mayan rural communities. Under the leadership of General Efraim Rios Montt, tens of thousands of people perished in what is now known as *laviolencia*, or 'the Mayan holocaust.' Rios Montt, Guatemala's president-by-coup was, and is, an outspokenly born-again Pentecostal Christian - a fact that would seem to be at odds with the atrocities that took place on his watch. Virginia Garrard-Burnett's book is the first in English to view the Rios Montt era through the lens of history. Drawing on newly-available primary sources such as guerrilla documents, evangelical pamphlets, speech transcripts, and declassified US government records, she is able to provide a

File Type PDF Terror In The Land Of The Holy Spirit

fine-grained picture of what happened during Rios Montt's rule. Looking backover Guatemalan history between 1954 and the late 1970s, she finds that three decades of war engendered an ideology of violence that cut across class, cultures, communities, religions, and even families. Many Guatemalans converted to Pentecostalism during this period, she says, because of the affinity between these churches' apocalyptic message and the violence of their everyday reality. Examining the role of outside players and observers: The US government, evangelical groups, and the media, she contends that self-interest, willful ignorance, and distraction permitted the human

encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal supply, and ships buckling in the grip of crushing ice. But their real enemy is even more terrifying. There is something out there in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. “ The best and most unusual historical novel I have read in years. ” —Katherine A. Powers, Boston Globe

Religion And Global Politics
A little-known moment in colonial history that changed the course of

America's future. A riveting account of a brutal killing, an all-out manhunt, and the first murder trial in America, set against the backdrop of the Pequot

War (between the Pequot tribe and the colonists of Massachusetts Bay) that ended this two-year war and brought about a peace that allowed the colonies to become a

nation. The year: 1638. The setting: Providence, near Plymouth Colony. A young Nipmuc tribesman returning home from trading beaver pelts is fatally stabbed in a robbery in the woods near Plymouth Colony by a vicious white runaway indentured servant.

File Type PDF Terror In The Land Of The Holy Spirit

The tribesman, fighting for his life, is able with his final breaths to reveal the details of the attack to Providence ' s governor, Roger Williams. A frantic manhunt by the fledgling government ensues to capture the killer and his gang, now the most hunted men in the New World. With their capture, the two-year-old Plymouth Colony faces overnight its first trial—a murder trial—with Plymouth ' s governor presiding as judge and prosecutor, interviewing witnesses and defendants alike, and Myles Standish, Plymouth Colony authority, as overseer of the courtroom, his sidearm at the ready. The jury—Plymouth colonists, New England farmers (“ a rude and ignorant sorte, ” as described by former governor

File Type PDF Terror In The Land Of The Holy Spirit

(William Bradford)—white, male, picked from a total population of five hundred and fifty, knows from past persecutions the horrors of a society without a jury system. Would they be tempted to protect their own—including a cold-blooded murderer who was also a Pequot War veteran—over the life of a tribesman who had fought in a war allied against them? Tobey Pearl brings to vivid life those caught up in the drama: Roger Williams, founder of Plymouth Colony, a self-taught expert in indigenous cultures and the first investigator of the murder; Myles Standish; Edward Winslow, a former governor of Plymouth Colony and the master of the indentured servant and accused murderer; John Winthrop, governor of

File Type PDF Terror In The Land Of The Holy Spirit

Massachusetts Bay Colony, the men on trial for the murder; and the lone tribesman, from the last of the Woodland American Indians, whose life was brutally taken from him. Pearl writes of the witnesses who testified before the court and of the twelve colonists on the jury who went about their duties with grave purpose, influenced by a complex mixture of Puritan religious dictates, lingering medieval mores, new ideals of humanism, and an England still influenced by the last gasp of the English Renaissance. And she shows how, in the end, the twelve came to render a groundbreaking judicial decision that forever set the standard for American justice. An extraordinary work of historical piecing-together;a
