Available for the first time as a complete novel--the serial from the New York Times bestselling author that explores the dynamics of power and sex between two people who set the rules of desire...only to shatter them. When unconventional hospice nurse Emma Shore secured a new position at the Breakers, the sprawling mansion of enigmatic and dangerously handsome racecar billionaire Michael Montand, she had no idea how soon she'd be drawn into his darker sexual games--or that it would be her own fantasies that would hold her captive. Michael knew he shouldn't have engaged such an innocent woman to share in his desires. But strong sexual appetites and selfishness run in his blood. From Michael's luxurious lakeside home to the sun-drenched, sensual shores of the French Riviera, Emma submits again and again to his intoxicating power. But she knows there is only one way to protect her heart. The affair will continue, but under her conditions: Only she can end it, and when it's over, they will part and never speak again of the things they dared to do behind locked doors.

In this charming, witty, and weird fantasy novel, Alexis Hall pays homage to Sherlock Holmes with a new twist on those renowned characters. Upon returning to the city of Khelathra-Ven after five years fighting a war in another universe, Captain John Wyndham finds himself looking for somewhere to live, and expediency forces him to take lodgings at 221b Martyrs Walk. His new housemate is Ms. Shaharazad Haas, a consulting sorceress of mercurial temperament and dark reputation. When Ms. Haas is enlisted to solve a case of blackmail against one of her former lovers, Miss Eirene Viola, Captain Wyndham is drawn into a mystery that leads him from the salons of the literary set to the drowned back-alleys of Ven and even to a prison cell in lost Carcosa. Along the way he is beset by criminals, menaced by pirates, molested by vampires, almost devoured by mad gods, and called upon to punch a shark. But the further the companions go in pursuit of the elusive blackmailer, the more impossible the case appears. Then again, in Khelathra-Ven reality is flexible, and the impossible is Ms. Haas' stock-in-trade.

With Reacher, #1 New York Times bestselling author Lee Child has created "a series that stands in the front rank of modern thrillers" (The Washington Post). Everything starts somewhere. . . . For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared. A novel of unrelenting suspense that could only come from the pen of #1 New York Times bestselling author Lee Child, *The Affair* is the start of the Reacher saga, a thriller that takes Reacher--and his readers--right to the edge . . . and beyond.

Is a week of passion enough to warrant changing their lives forever? Italian born Giselle Moore is reinventing herself for the second time in her short twenty-four years of life, trading in her bohemian artist's life in Paris for the grit and glamour of New York City where the family she hasn't seen in years awaits her. But before beginning her new life, she travels to Cabo San Lucas, Mexico searching for a week of relaxation and reprieve before barreling into her turbulent future. She never expected to meet the handsome and enigmatic Frenchman Sinclair on the plane and she certainly never would have imagined herself accepting his proposal for a weeklong, no-strings-attached affair. Giselle has never experienced anything as heady as Sinclair's controlled seduction and cool yet devastatingly erotic commands and she finds herself powerless to stop the ferocity of their passions, even when she discovers he has a partner back home. The last thing she needs in her life is another complication, yet as the week wears on, she finds it surprisingly easy to relinquish control to Sinclair, a man she knows nearly nothing about. And to her horror, the one thing she promised never to submit, her battered heart, is just as easily captured in the business mogul's unyielding hands.

Tuppence Beresford are restless for adventure, so when they are asked to take over Blunt's International Detective Agency, they leap at the chance. Their first case is a success—the triumphant recovery of a pink pearl. Other cases soon follow—a stabbing on Sunningdale golf course; cryptic messages in the personal columns of newspapers; and even a box of poisoned chocolates. But can they live up to their slogan of "Any case solved in 24 hours"?

It started with an affair; a seven day long, no-strings-attached holiday affair on the beaches of Mexico. I'm trading in my bohemian artist life in Paris for the grit and glamor of New York City in a bid to reinvent my life for the second time and rejoin my fractured family. But before I jump into the deep end, I take a much needed vacation in Mexico. Where I meet the enigmatic, French billionaire, Sinclair. The last thing I need in my life is another complication. Sinclair is older, more experienced in every way, rich, sophisticated, and taken by another woman. He shouldn't want me. I shouldn't let myself want him. Yet, when he proposes a seven-day holiday affair, I can't resist the temptation. What follows is the most passionate week of my life, and despite my best intentions, he makes it impossible to walk away with my heart intact. The ramifications of that week follow me to New York City where, heartbroken but prepared to distract myself by reuniting with my family, Sinclair turns up in the last place I ever expected to find him. My mother's kitchen. I'm faced with an impossible choice. Safeguard my reputation, career, and family by sacrificing the only man I've ever loved. Or follow my heart into the cold, dominating hands of the mysterious Frenchman I shouldn't have but crave with every inch of my soul, condemning those I love to misery as a consequence. *The complete Evolution of Sin Trilogy re-released with bonus content*

But when the Shadow Society assassinates the Sun King and half of the royal court, he must become the prince he was never meant to be in order to save his injured sisters and the petulant dauphin. Forced to hide in the sewers beneath the city, Josse's hope of reclaiming Paris seems impossible—until his path collides with Mirabelle's. She's a deadly poisoner. He's a bastard prince.
