George Imagine: Your lips parted as the last note of the song escaped you, your beautiful voice gently ringing throughout the club. The audience applauded you and your band, providing you with a standing ovation. You smiled widely as you and your band mates bowed, thanking the crowd, the cheers sending you a joyful wave.

Out of all of the girls there, begging to share just one night with a Beatle, imagine George picks you. He grabs your hand and starts leading you off to a hotel room on the floor only for the band. He turns back to you and smirks and you blush and turn away shyly. He opens the door, not even bothering to turn on the light.

~~What would the world have been like without the Beatles ...~~

Musically, no detail is overlooked to re-create the true sound and excitement of The Beatles, with every song performed totally live and in its original key. Visually, our presentation is as close to the real thing as you can imagine...

Imagine all the people living life in peace. You may say I'm a dreamer, but I'm not the only one. I hope some day you'll join us, and the world will be as one. Join one little pigeon as she sets out on a journey to spread a message of tolerance around the world. Featuring the lyrics of John Lennon's iconic song and illustrations by the award-winning artist Jean Jullien, this poignant and timely picture book dares to imagine a world at peace. Imagine will be published in partnership with human rights organization Amnesty International.

Until now, the true story of John Lennon's childhood has never been told. John's sister Julia has herself been on a personal journey that has made it possible only now to reveal the full extent of the pain and difficulties - as well as the happier times - living inside John Lennon's family brought. Julia reveals the various strong, self-willed and selfish women who surrounded

## Download File PDF The Beatles Imagines

John as he grew up. John was removed from his mother at the age of 5 to live with his Aunt Mimi, and here Julia shows for the first time the cruelty of this decision - to both mother and son, she sheds a new light on his upbringing with Mimi which is often at dramatic odds with the accepted tale. John's frequent visits to his mother and sisters gave him the liveliness, freedom and love he sought and allowed him to develop his musical talents. The tragic death of their mother, knocked down outside Aunt Mimi's house by a speeding car when John was 17, meant that life for him and his sisters would never be the same again. Poignant, raw and beautifully written, *IMAGINE THIS* casts John Lennon's life in a new light and reveals the source of his emotional fragility and musical genius. It is also one family's extraordinary story of how it dealt with fame and tragedy beyond all imagining.

Winner of the 2020 Baillie Gifford Prize for Non-Fiction  
A distinctive portrait of the Fab Four by one of the sharpest and wittiest writers of our time "If you want to know what it was like to live those extraordinary Beatles years in real time, read this book." —Alan Johnson, *The Spectator*  
Though fifty years have passed since the breakup of the Beatles, the fab four continue to occupy an utterly unique place in popular culture. Their influence extends far beyond music and into realms as diverse as fashion and fine art, sexual politics and religion. When they appeared on *The Ed Sullivan Show* in 1964, fresh off the plane from England, they provoked an epidemic of hoarse-throated fandom that continues to this day. Who better, then, to capture the Beatles phenomenon than

Craig Brown—the inimitable author of *Ninety-Nine Glimpses of Princess Margaret* and master chronicler of the foibles and foppishness of British high society? This wide-ranging portrait of the four lads from Liverpool rivals the unique spectacle of the band itself by delving into a vast catalog of heretofore unexamined lore. When actress Eleanor Bron touched down at Heathrow with the Beatles, she thought that a flock of starlings had alighted on the roof of the terminal—only to discover that the birds were in fact young women screaming at the top of their lungs. One journalist, mistaken for Paul McCartney as he trailed the band in his car, found himself nearly crushed to death as fans climbed atop the vehicle and pressed their bodies against the windshield. Or what about the Baptist preacher who claimed that the Beatles synchronized their songs with the rhythm of an infant’s heartbeat so as to induce a hypnotic state in listeners? And just how many people have employed the services of a Canadian dentist who bought John Lennon’s tooth at auction, extracted its DNA, and now offers paternity tests to those hoping to sue his estate? *150 Glimpses of the Beatles* is, above all, a distinctively kaleidoscopic examination of the Beatles’ effect on the world around them and the world they helped bring into being. Part anthropology and part memoir, and enriched by the recollections of everyone from Tom Hanks to Bruce Springsteen, this book is a humorous, elegiac, and at times madcap take on the Beatles’ role in the making of the sixties and of music as we know it.

The next novel from author Bryce Zabel, whose debut, *Surrounded by Enemies: What if Kennedy*

## Download File PDF The Beatles Imagines

Survived Dallas? won the coveted Sidewise Award for Alternate History. "We know The Beatles let it be, but what if they worked it out instead? This book gives life to every fan's fantasy. It's a great new adventure full of twists and turns that never were, but might have been." —Chris Carter, host, Breakfast with the Beatles & Chris Carter's British Invasion (Sirius/XM Radio) We all know the tragic story by now. After seven years as the most popular rock-and-roll group the world has ever seen, The Beatles—torn apart by personal and creative differences—called it quits in 1970, never to play together again. The fact that their contemporaries like the Rolling Stones are still playing today makes their ending even more painful. Once There Was a Way: What if The Beatles Stayed Together? is a story of another reality, the one we wished had happened, where the Fab Four chose to work it out rather than let it be. This book is no mere fairy tale, but a chronicle crafted from the people and events of our own history, shaped to create a brand new narrative in which John, Paul, George, and Ringo find a way to stay friends and keep the band together. Imagine there was more. Lots more. It's easy if you try. "Hold on to your hats, folks. You're in for quite a ride." —Harry Turtledove, alternative history author, How Few Remain, on Surrounded by Enemies

Originally published in 1970, "Grapefruit" remains one of the icons of a generation, with a mixture of poetic verse, drawings, mock questionnaires, and more. Line drawings.

As soon as The Beatles became famous, the spin machine began to construct a myth--one that has

## Download File PDF The Beatles Imagines

continued to this day. But the truth is much more interesting, much more exciting, and much more moving. In this bestselling book, Bob Spitz has written the biography for which Beatles fans have long waited. 32 pages of b/w photos.

Since The Beatles dissolved in 1970 fans have clamored for more, but what if there was less, and the band never existed? Or worse, what if they left us with only half, shocking our world and skipping their creative and visionary second act? Here, Charlie Bermant creates an alternate world where The Beatles met with a fatal accident at mid-career. Told in a series of speculative news articles it imagines a what would have happened if the best group in the world disappeared and had left others to fill the void.

Anna Todd (#1 internationally bestselling author of the After series) headlines this unique anthology of “imagines”—the first book of its kind—stories from Wattpad writers that immerse you in a fantasy world of fame, adventure, and flirtation with your favorite celebrities. Imagine running around the city, dodging paparazzi with Jennifer Lawrence... Imagine Justin Bieber setting up a romantic scavenger hunt for your anniversary, retelling the story of your love... Imagine selfies have been outlawed, making Kim Kardashian a freedom fighter who needs your help in bringing justice and good lighting to the people... Let your fantasies take over! That’s what the top Wattpad authors have done in this special collection of fictional scenarios that bring you up close and personal with the real celebrities you love—star alongside Zayn Malik, Cameron Dallas, Kanye West, Selena Gomez,

Wattpad is a writing community in which users are able to post articles, stories, fanfiction, and poems about anything either online or through the Wattpad app. Note: Although this book mentions many real celebrities, they have not participated in, authorized, or endorsed its creation.

Hundreds of books have been written about The Beatles. Over the last half century, their story has been mythologized and de-mythologized and presented by biographers and journalists as history. Yet many of these works do not strictly qualify as history and the story of how the Beatles' mythology continues to be told has been largely ignored. This book examines the band's historiography, exploring the four major narratives that have developed over time: The semi-whitewashed "Fab Four" account, the acrimonious breakup-era Lennon Remembers version, the biased "Shout!" narrative in the wake of John Lennon's murder, and the current Mark Lewisohn orthodoxy. Drawing on the most influential primary and secondary sources, Beatles history is analyzed using historical methods.

# Download File PDF The Beatles Imagines

The Beatles est un groupe musical originaire de Liverpool, composé de John Lennon, Paul McCartney, George Harrison et Ringo Starr. Il demeure, en dépit de sa séparation en 1970, l'un des groupes de rock les plus populaires au monde. En dix ans d'existence, et seulement huit ans de carrière discographique (de 1962 à 1970), les Beatles ont enregistré douze albums originaux et ont composé plus de 200 chansons. Une productivité particulièrement remarquable dans la période 1963-1966 où, entre les tournées incessantes et la participation à deux longs métrages, ils ont publié sept albums, treize singles et douze EPs. Considérées comme la « bande-son » des années 1960, les chansons des Beatles ont marqué leur décennie ainsi que les générations suivantes, et leurs mélodies ont été adaptées à de nombreux genres musicaux, notamment le jazz, la salsa, le reggae ou la musique classique et baroque.
