Within the first year, the Guide To Getting It On was winning awards and was being used in college sex-ed courses. It has won a number of awards, and has been used in several college sex-ed courses and in medical schools. It has been translated into fourteen different languages. Twenty-five years later, I'm working on the 10th edition.

Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

Now updated for 2015! The best, most comprehensive guide for writers is now revised and updated, with new sections on ebooks, self-publishing, crowd-funding through Kickstarter, blogging, increasing visibility via online marketing, micropublishing, the power of social media and author websites, and more-making The Essential Guide to Getting Your Book Published more vital than ever for anyone who wants to mine that great idea and turn it into a successfully published book. Written by experts with twenty-five books between them as well as many years' experience as a literary agent (Eckstut) and a book doctor (Sterry), this nuts-and-bolts guide demystifies every step of the publishing process: how to come up with a blockbuster title, create a selling proposal, find the right agent, understand a book contract, and develop marketing and publicity savvy. Includes interviews with hundreds of publishing insiders and authors, including Seth Godin, Neil Gaiman, Amy Bloom, Margaret Atwood, Leonard Lopate, plus agents, editors, and booksellers; sidebars featuring real-life publishing success stories; sample proposals, query letters, and an entirely updated resources and publishers directory.

"A comprehensive and fun-to-read guidebook for people of all sexual identities and experience levels, Getting It covers all the bases of hook-up culture from first moves and sex etiquette to navigating nonmonogamy and sexual health"--

Since 2001 William Germano's Getting It Published has helped thousands of scholars develop a compelling book proposal, find the right academic publisher, evaluate a contract, handle the review process, and, finally, emerge as published authors. But a lot has changed in the past seven years. With the publishing world both more competitive and more confusing - especially given the increased availability of electronic resources - this second edition of Germano's best-selling guide has arrived at just the right moment. As he writes in a new chapter, the ''via electronica'' now touches every aspect of writing and publishing. And although scholars now research, write, and gain tenure in a digital world, they must continue to ensure that their work meets the requirements of their institutions and the needs of their readers. Germano, a veteran editor with experience in both the university press and commercial worlds, knows this audience. This second edition will teach readers how to think about, describe, and pitch their manuscripts before they submit them. They'll discover the finer points of publishing etiquette, including how to approach a busy editor and how to work with other publishing professionals on matters of design, marketing, and publicity. In a new afterword, they'll also find helpful advice on what they can - and must - do to promote their work. A true insider's guide to academic publishing, the second edition of Getting It Published will help authors understand what to expect from the publishing process, from manuscript to finished book and beyond.

The author shares anecdotes, advice, and cringe-inducing jokes based on her own experiences of being an insecure misfit, and counsels readers on fitness, grooming, and pursuing healthy goals.

Your guide to making it as a real-life grownup! Like a lot of people, author Mary Traina spent her early twenties making a mess out of her life--until she realized it was time to toss the red Solo cups and finally grow up. In The Twentysomething Guide to Getting It Together, she teaches you how to bust out of your rut with practical advice for kicking your bad habits, taking action toward your goals, and moving on to the next stage of your life as an adult. From answering tough relationship questions to advancing your career, she'll tackle all your biggest issues as well as give you a step-by-step plan for getting through your twenties in one piece. Through Traina's signature humor, research, and real-world tips, this groundbreaking guide shows you how to: Date a real man. Escape entry-level hell. Stop binge-drinking and overeating. Emerge from a mountain of debt. Cut those toxic friends of convenience. With the same hip pop-culture references and endless wit that landed her a regular column on Zoey Deschanel's website, Mary Traina makes getting life together fun, easy, and--gasp--the cool thing to do!

A guide for women with confidence and attitude provides tips on climbing the corporate ladder, dressing for success in careers and relationships, meeting men, and finding happiness.

AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. In Still Procrastinating?, Joseph Ferrari will help you find out why you put things off and learn how to conquer procrastination for good. Do you ever say to yourself "What if I make a bad decision?," "What if I fail?," or "I'm better under pressure"? There are all sorts of reasons people procrastinate. What are yours? This book draws on scientific research on procrastination conducted over more than twenty years by the author and his colleagues, to help you learn what stops you from getting things done so that you can find the solutions that will really work. Contrary to conventional wisdom, chronic procrastination is not about poor time management, but about self-sabotaging tendencies that can prevent you from reaching your full potential. This book gives you the knowledge and tools you need to understand and overcome these tendencies so you can start achieving your goals--not next week, next month, or next year, but today! Exposes the hidden causes of procrastination, including fear of failure, fear of success, and thrill-seeking Identifies types of procrastinators and helps determine which type describes you Shares surprising information on how factors such as technology and the time of day affect procrastination Examines specific issues related to putting things off in school and at work Shares more than twenty years of research on the causes and consequences of chronic procrastination Written by a psychologist who is an international expert on the subject of procrastination Are you still procrastinating? This take-charge guide will help you stop making excuses and start transforming your life--right now.

Everyone waits till the last minute sometimes. But many procrastinators pay a significant price, from poor job performance to stress, financial problems, and relationship conflicts. Fortunately, just as anyone can endlessly delay, anyone can learn how to stop! Cognitive-behavioral therapy expert Monica Ramirez Basco shows exactly how in this motivating guide. Dr. Basco peppers the book with easy-to-relate-to examples from "recovering procrastinators"--including herself. Inviting quizzes, exercises, and practical suggestions help you: *Understand why you procrastinate. *Start with small changes that lead to big improvements. *Outsmart your own delaying tactics. *Counteract self-doubt and perfectionism. *Build crucial skills for getting things done today.
