functions at each Distribution Center, all shipment pick-ups must be requested utilizing the “ Pickup Request – Freight Collect Vendors ” form.

Transportation Routing Guide - Party City

An inbound vendor routing guide is comparable the beating heart of your operation. It manages inbound freight, not unlike the incoming blood supply from the lungs, and pumps it out to the remainder of your supply chain. Unlike the heart, however, your routing guide needs to be continually updated to reflect the most relevant changes in carrier preferences, stipulations for compliance violations and detailed instructions on how to handle different shipping circumstances.
