Traditions are important. Especially in the South. College football. Rivalries. Tailgating. Halftime shows. Some things just don't change. Until Reese Holland shows up with her long legs and no-bullshit attitude to audition for the prestigious all-male Rodner University snare line. It doesn't matter how much hazing she has to endure from Laird Bronson, with his narrowed green eyes and arrogant smirk. She wants that damn spot, and she's more than good enough to earn it. She expects there to be tension. Even friction. But not sparks hot enough to burn the entire campus down.

All 26 of the Standard American Drum Rudiments, their variations and a number of compound rudiments are used here to establish the countless possibilities which present themselves within the bounds of the drumming rudiments. The interesting library contains titles such as: * Stomping Through the Bar Line * Gingersnap * Ruffing Up a Storm * No Left Flam 6/8

A collection of 18 difficult level etudes for the concert snare drummer.

This second edition of Beyond Talent provides user-friendly real-life advice, examples, and perspectives on how to further a career in music. Understanding the unique talents and training of musicians, veteran music career counselor Angela Myles Beeching presents a wealth of creative solutions for career advancement in the highly competitive music industry. Step-by-step instructions detail how to design promotional materials, book performances, network and access resources and assistance, jump start a stalled career, and expand your employment opportunities while remaining true to your music. Beeching untangles artist management and the recording industry, explains how to find and create performance opportunities, and provides guidance on grant writing and fundraising, day jobs, freelancing, and how to manage money, time, and stress. The companion website puts numerous up-to-date and useful internet resources at your fingertips. This essential handbook goes beyond the usual "how-to," helping musicians tackle the core questions about career goals, and create a meaningful life as a professional musician. Beyond Talent is the ideal companion for students and professionals, emerging musicians and mid-career artists.

(Meredith Music Resource). Have you ever wanted to know the secrets to success of today's top marching bands and drumlines and how they achieve excellence? This extraordinary study takes you onto the practice field, inside the meeting room, and into the stadium including the "Five Factors Influencing Excellence" valuable to any high school or college band program. The leaders of eight outstanding organizations reveal their goals for success including: expectations, values, leadership styles, motivational techniques, practice habits, and recruiting strategies. A must-read for band directors, percussion educators, students and anyone pursuing excellence in leadership. (a href="http://youtu.be/NNaXbjaX08" target="_blank")Click here for a YouTube video on Marching Bands and Drumlines(/a)

The Portraits in Rhythm Study Guide contains a detailed analysis of the fifty snare drum etudes from Portraits in Rhythm. The observations and interpretations represent many years of performing and teaching. This comprehensive study guide gives you the author's insight on how to maximize the exercises, and it inspires skills which will carry over to other compositions and performances.

One of the classic snare drum books in print today! This publication presents the reader with challenging and stimulating material for the intermediate and advanced percussion student. Contains 50 musical solos and brief performance notes.

A guide for aspiring musicians who want to make their living doing what they love, covering such topics as building a brand, writing a business plan, creating a website, marketing, networking, the recording business, freelancing, finance, composing and arranging, and performance.

Military history has established that musical units are an integral part of the Marine Corps (Appendix A). Marine Corps Bands are an important stimulus to morale and esprit de corps and provide the Commanding General, and the unit, a vital link to ceremonial traditions. In combat, musical units continue musical functions and augment security on a temporary basis during periods of heightened combat intensity when use of the band in its primary role is impractical.
