She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom , Lean In is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

Lean In: Women, Work, And The Will To Lead, Book by Sheryl ...

Sheryl Sandberg's Lean In has ignited global conversations about gender roles and ambition. Ask most women whether they have the right to equality at work and the answer will be a resounding yes. But ask the same woman if they'd feel confident asking for a raise, promotion, or equal pay, and reticence can creep in.
