### **Daemon by Daniel Suarez - Books on Google Play**

Daniel Suarez’s techno-thriller is a fast read with a large cast of characters. Some are merely plot devices, engineers added to give a real sense of the distributed work the Daemon requests of its human servants. Others are more significant, from Detective Sebek to the Daemon’s primary mercenary to the cryptographer trying to bring it down.

Suarez initially published his critically acclaimed novel under the pen name Leinad Zeraus, which is a play on his name Daniel Suarez, written backwards. His first novel was the 2006 published Daemon which he self-published.

### **Daniel Suarez - Book Series In Order**

Like the last book review I wrote for Daniel Suarez (Influx) this book is quite believable (at least at the start) and quickly draws you in with an action packed start. There is lots of action and the plot is fast paced with several strong characters who stay with us throughout the book (although Daniel isn't afraid to build a character up and then write them off with the flick of a pen!)
