PADI Rescue Diver Course — Lacadives: the Pioneer of SCUBA ...

Rescue Diver is a unique course that not only provides the skills to make you a safe diver and a better dive buddy, but it's also basic for anyone thinking of becoming a diving professional. This engrossing program teaches you to focus on other divers, as well as yourself, and shows you how to recognize and prevent a diving accident before it occurs, and how to respond if one does.

Rescue Diver - Rogers Scuba Shack

The Rescue Diver course is the third level qualification in the American international system, [clarification needed] following the Advanced Open Water Diver qualification (AOWD). Historically the course was treated as a separate "speciality" rather than a mainstream certification in itself (and arguably it still is in many organization's certification structure), but most advanced training is contingent upon having previously completed the Rescue Diver certification, and thus it effectively ...
