Carl Jung was an influential psychologist and psychiatrist who founded analytical psychology. This comprises of his work on the ego, the unconscious and archetypes, which are all involved in his process of individuation. And through this process, we can reach self- actualisation - the point where we achieve our full potential (in potentia) in our...

The Individuation Process: The Jungian Way to Self ...

While Ego and Archetype deals with the themes of sin, repentance and atonement, the theories advanced are naturalistic and not religion-bound. Edward Edinger elaborates on these themes masterfully, and any reader who considers them to be at the heart of the human condition will cherish this book.

Ego and Archetype: Individuation and the... book by Edward ...

Ego and Archetype. This book is about the individual's journey to psychological wholeness, known in analytical psychology as the process of individuation. Edward Edinger traces the stages in this process and relates them to the search for meaning through encounters with symbolism in religion, myth, dreams, and art.

Ego and Archetype | Edward Edinger | download

One can become conscious or partly conscious depending on how the ego relates to the Self. The Self then being the totality of the psyche and the dialectic between the ego and the Self is the process of Individuation. When ego inflation occurs, the ego thinks it is bigger than it is, thinks it is the Self.

Book Review: Ego and Archetype by Edward F. Edinger ...

Ego and Archetype Ego and Archetype: Individuation and the Religious Function of the Psyche by Edward F Edinger came out in 1972. I read it in 2000. It proved very insightful and was very influential on me. Man's consciousness was created to end that it may 1) Recognize its descent from a higher unity 2)...
