Fat for Fuel walks you through the complete step-by-step process. You learn which foods and practices work best for you. My goal is to help you get there smoothly and as easily as possible, identifying and removing potential challenges ahead of time that can derail you off course.

Fat for Fuel by Dr. Joseph Mercola

Your body uses a limited fuel supply and you want to stretch that fuel for as long as you can, especially when preparing for longer endurance exercise. That's why we want to train our body to burn it's much larger reserves of fat stores. Increasing ME speaks to your ability to burn more fat versus carbs at the same intensity.
