How Teens Today Are Different from Past Generations A psychologist mines big data on teens and finds many ways this generation—the “iGens”—is different from Boomers, Gen Xers, and Millennials. By Diana Divecha | October 20, 2017 Print; Bookmark; Every generation of teens is shaped by the social, political, and economic events of the day. ...

### **How Teens Today Are Different from Past Generations**

A Brief History of Naming Generations . Historians generally agree that generational naming began in the 20th century. It was deceased American writer Gertrude Stein who coined the term "Lost Generation" in her work. She bestowed this title on those born around the turn of the 20th century who devoted their lives to service during World War I.

### **A Comprehensive List of Generation Names**

The title *The New Arabs* may not mean much to many in the West who are just as unfamiliar with the old Arabs, but whether in the Middle East or in the West, the topic of the millennial generation is trending. Generation Y is coming of age, and their impact on society is an area of intense interest that Juan Cole brings to life by studying the Arab Spring of 2011.

### **The New Arabs: How the Millennial Generation is Changing ...**

Youth played a central role in sparking protest movements across the Middle East. What are the factors that account for the prominence of youth as advocates of change in the Arab world? For years scholars have been warning about the youth bulge - that the disproportionately large population of young men in the Arab world is a ticking time bomb.

### **Youth and the "Arab Spring" | United States Institute of Peace**

The next generation, the Boomers, were born between approximately 1940 and 1964. This generation, while experiencing prosperity, also experienced the Vietnam War drafts, the Cold War, and the...

### **Why Do Today's Youth Seem So Different? | Psychology Today**

I was born in 1980 so I'm on the cusp of Generation X and the Millennials. On any given Sunday, our congregation has infants to people in their 90s. It is true that some churches are made up predominantly of one or two generations. For example, some older congregations are mainly the Silent (born 1920s-1940s) and Boomer generations (born ...
