Pass bets are betting with the shooter, and Don't Pass bets are against the shooter. A player designated the shooter then flings the dice to the opposite wall of the table. If the come-out roll is 7 or 11, Pass bets win and Don't Pass bets lose. If the come-out roll is 2, 3, or 12, that's craps, and Pass bets lose.

Craps is an exciting casino dice game that has been around since at least the 1800s. This is a lower house-edge game and easy to play since you only need a set of dice. Essentially, a player shoots the dice and your bet is won or lost based on the total. There are different bets and prop bets, but the game centers around the
