But, as previously noted, theory's connection to sport management is not just through scholarship; instead, it also informs teaching, service, and practice. Lewin's oft-cited quote perhaps best captures these sentiments: "there is nothing more practical than a good theory" (1952, p. 169; see also Van de Ven, 1989). That is, the best theories are the ones that help people make sense of the world around them.
