Judicial Review In New Democracies

New democracies around the world have adopted constitutional courts to oversee the operation of democratic politics. Thomas Ginsburg argues that, while judicial review does put constraints on government, it is sought as a solution to the problem of uncertainty in constitutional design.

Judicial Review in New Democracies: Constitutional Courts ...

The difference between Ginsburg and some of his contemporaries is his ability to move seamlessly between these two academic approaches. His first book Judicial Review in New Democracies reads like a work of political science, but some of his most influential publications have been in law reviews. Indeed, he thinks like a political scientist.

Judicial Review in New Democracies: Constitutional Courts ...

The third wave of judicial review has been the recent adoption of judicial review in the postcommunist world and other new democracies. In discussing cases from these three waves, we will examine successful cases as well as an instance where judicial review failed to contribute to democratic development and consolidation, namely postcommunist Russia. For each, we will consider the extent of political diffusion as the environmental condition supporting judicial review.

Judicial Review in New Democracies: Constitutional Courts ...

In the last 5 minutes of section, the instructor synthesized take-away points -- including the point that democracy as an ideal includes both procedural and substantive aspects, and the point that defenses of judicial review (incl. Dworkin's) often depend on empirical claims about the judiciary's superiority, relative to majorities, with respect to ensuring equal basic rights and the "conditions of democracy" for all citizens.
