So I finally got a hold of the navigation map updates for my 9-SNG. Took €249 and about 80 minutes but I'm running "20.12.02" now. More info on where to buy the discs and the actual upgrade process in the attached PDF file (whole process pertains the EU version, but I have no reason to believe that the same process wouldn't work for the US version too, with the US maps that is).
