Safety Recall #2005110001 - Mercedes-Benz USA

Yesterday Mercedes made a pretty dramatic announcement regarding their SBC brake system. They're extending the warranty coverage under a special service campaign to 25 years / Unlimited Mileage. Sensotronic brake control is like a partial Brake by Wire braking system with some mechanical/hydraulic redundancy in case of failure.

Mercedes New SBC Warranty Extension 25 Years, Unlimited ...

Sensotronic Brake Control (sbc) concerns With the deluge of W211 E Class models on the market today, they can be had for a very reasonable price, and I'm seriously considering purchasing one. However the one factor that concerns me the most is the SBC drive-by-wire braking system in these cars and the ongoing problems associated with the system.
