Drawing from original research, and evaluating over 45 companies over the course of 10 separate studies, *The Human Brand* is essential reading for understanding how and why we make the choices we do, as well as what it takes for companies and brands to earn and keep our loyalty in the digital age. ...more.

The Human Brand by Chris Malone - Goodreads

In our summary of *The Human Brand*, customer loyalty expert Chris Malone and social psychologist Susan Fiske show that we relate to companies, brands, and even inanimate products in the same way that we naturally perceive, judge, and behave toward one another.

The Human Brand: How We Relate to People, Products, and ...

The Human Brand intelligently challenges that thinking. The long-term success of a brand and an organization is not derived simply from financial performance, but from ongoing patronage by loyal customers. And in today's socially connected world, where brand advocates are essential, it's *The Human Brand* that matters most.
