### The Lost Language Of Plants

The Lost Language of Plants: The Ecological Importance of Plant Medicines for Life on Earth Paperback – March 1, 2002 by Stephen Harrod Buhner (Author)

### The Lost Language of Plants: The Ecological Importance of ...

This book, in its wonderful mix of science and poetry, brilliantly informs the reader of how this is possible, how to directly experience it themselves, and the implications to human society. I recommend this book to students and professionals of herbalism, as well as anyone with a deeper interest in natural medicine.

### The Lost Language of Plants eBook by Stephen Harrod Buhner ...

It's the plants themselves that are healing. There are plenty of other examples like the one shared by the New Yorker in The Lost Language of Plants, some that demonstrate an experience some people have of being able to communicate with plants or feeling that certain plants are communicating with them. These ideas are a little more difficult for me to comprehend as they challenge a sense of logic and reason that... yeah, I'm at a loss for words here.
