By Nasrullah Mambrol on April 7, 2019 • (0) A common link among Kazuo Ishiguro's (born 8 November 1954) novels is the prominence of the first-person narrator, through whose meandering thoughts the story unfolds. Readers soon discover, however, that these central voices are rather unreliable in their accounts of past reactions to crises.

Analysis of Kazuo Ishiguro's Novels | Literary Theory and ...

The Remains of the Day was the first Kazuo Ishiguro novel I ever read, when I was sixteen. At the time, I was mainly reading American fiction and crime novels – all the stuff that I wasn't being taught at school – but there in its quiet, restrained unspoken-ness was a novel I fell completely in love with.
