A frica is a continent of 54 nation states, more than 1,500 languages, and roughly 3,000 ethnic groups, making it the most diverse and culturally rich place on earth. It is impossible to speak of it as a singularity. This is why many scholars on the continent refer not to African art, but to the arts of Africa when speaking of the visual and material cultures produced across a vast range of ...

African art - African art - Other visual arts: Most peoples of sub-Saharan Africa use pottery, and many make it themselves. Today, although traditions of pottery making survive in many rural areas, town dwellers switching from firewood to other sources of fuel are also turning to industrially manufactured wares. The preindustrial traditions involve the molding of fairly coarse-textured clay by ...
